in 1820 a young farm boy in search of truth has a vision of god the father and jesus christ three years later an angel guides him to an ancient record buried in a hill near his home with god s help he translates the record and organizes the savior s church in the latter days soon others join him accepting the invitation to become saints through the atonement of jesus christ but opposition and violence follow those who defy old traditions to embrace restored truths the women and men who join the church must choose whether or not they will stay true to their covenants establish zion and proclaim the gospel to a troubled world the standard of truth is the first book in saints a new four volume narrative history of the church of jesus christ of latter day saints fast paced meticulously researched saints recounts true stories of latter day saints across the globe and answers the lord s call to write history for the good of the church and for the rising generations doctrine and covenants 69 8

in beyond constraint shona n jackson offers a new approach to labour and its analysis by demonstrating the fundamental relation between black and indigenous people s sovereign free and coerced labour in the americas through the writings of cedric robinson walter rodney c l r james and sylvia wynter jackson confronts the elision of indigenous people s labour in the black radical tradition she argues that this elision is an effect of the structural relation of antiblackness to anti indigeneity through which native and black bodies are arranged on either side of a split between unproductive labour and productive work necessary for capital accumulation and for how we read capital in political economic critique this division between labour and work forces the radical tradition to sustain the break between black and indigenous peoples as part of its critical strategies of liberation to address this impasse jackson reads the tradition against the grain for openings to indigeneity and a method for recovering lost labours

the evangelical revival of the mid eighteenth century was a major turning point in protestant history in england wesleyan methodists became a separate denomination around 1795 and welsh calvinistic methodists became independent of the church of england in 1811 by this point evangelicalism had emerged as a major religious force across the british isles making inroads among anglicans as well as irish and scottish presbyterians evangelical dissent proliferated through thousands of methodist baptist and congregational churches even quakers were strongly influenced by evangelical religion the evangelicals were often at odds with each other over matters of doctrine like the

five points of calvinism ecclesiology including the status of the established church politics as they reacted in various ways to the american and french revolutions and worship with the boisterous extemporary style of primitive methodists contrasting sharply with the sober piety of many anglican advocates of vital religion what they shared was a cross centred bible based piety that stressed conversion and stimulated evangelism but how was this generic evangelical ethos adopted and reconfigured by different denominations and in very different social contexts can we categorise different styles of heart religion to what extent was evangelical piety dependent on the phenomenon of revival and what practical difference did it make to the experience of dying to the parish community or to denominational politics this collection addresses these questions in innovative ways it examines neglected manuscript and print sources including handbooks of piety translations and abridgements conversion narratives journals letters hymns sermons and obituaries it offers a variety of approaches reflecting a range of disciplinary expertise historical literary and theological together the contributions point towards a new account of the roots and branches of evangelical piety and offer fresh ways of analysing the history of protestant spirituality
