students of the old testament have long recognized that in the two histories of the hebrew monarchies samuel kings and chronicles a literary relationship exists which is akin to that of the synoptic gospels of the new testament that is more than one extended narrative have come down to us from antiquity each of which exhibits distinctive characteristics while at the same time demonstrating a more than casual relationship with the other s unlike their colleagues in synoptic gospel studies however students of samuel kings and chronicles have not had easy access to english language harmonies in which the principal texts are laid side by side in such a manner that comparison is facilitated not just of large blocks of text but of individual words and phrases as well the text is that of the revised standard version samuel kings in the left column chronicles in the right except where noted at all times however the standard of reference has remained the masoretic text and occasionally i have ventured to introduce minor adjustments to the rsv text in order more accurately to demonstrate the relationship between the received hebrew text of our sources from the foreword

just as a harmony of the gospels is useful for tracing the life of our lord jesus christ this easy to use book provides the bible student with a reference guide to the history of the kings of judah and israel as preserved in the books of samuel kings and chronicles preceding the harmony itself is a complete analytical outline a concise sequential table of events that will give the reader a greater understanding and firmer grasp of the history of judah and israel students of scripture will find this harmony and its accompanying analytical outlines invaluable in gaining a historical perspective that will make the study of samuel kings and chronicles profitable and rewarding

as with previous texts contexts volumes this title gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light samuel kings and chronicles i sheds light from new perspectives on themes in these so called

historical books including asian american and chinese readings issues of land genealogy and maleness the authors challenge us to consider how we deal with cultural distances between ourselves and these ancient writings and between one another in the contemporary world like other volumes in the texts contexts series these essays de centre the often homogeneous first world orientation of much biblical scholarship and open up new possibilities for discovery bloomsbury publishing

in this volume scholarly voices from diverse contexts and social locations are gathered together to bring new or unfamiliar facets of biblical texts to light focusing on issues of intertextuality samuel kings and chronicles i sheds light from new perspectives on themes in these so called historical books including asian american and chinese readings issues of land genealogy and maleness the authors challenge us to consider how we deal with cultural distances between ourselves and these ancient writings and between one another in the contemporary world these goal of these essays is de centre the often homogeneous first world orientation of much biblical scholarship and open to up new possibilities for discovery of meaning and method

this volume brings together disparate views about biblical texts in the books of samuel chronicles and ezra nehemiah and examines their influence in the life of contemporary communities demonstrating how today s environments and disorders help readers to acquire new insights into such texts the contributing scholars hail from different continents from east asia to the united states to europe to south africa and israel and count themselves as members of various jewish and christian traditions or secularist ways of life but in spite of their differences in location and community membership and perhaps in the spirit of the times 2020 and its global discontents they share preoccupations with questions of ethics in politics and life proper death violence and social exclusion or inclusion this volume offers readers a better understanding of how politics and faith can be melded both in ancient and contemporary contexts to serve the interests of certain classes and societies often at the expense of others

formatted in parallel columns for easy association this book facilitates the comparison of the biblical histories of israel s pre exilic monarchies as presented in samuel kings and chronicles

in this volume scholarly voices from diverse contexts and social locations are gathered together to bring new or unfamiliar facets of biblical texts to light focusing on issues of intertextuality samuel kings and chronicles i sheds light from new perspectives on themes in these so called historical books including asian american and chinese readings issues of land genealogy and maleness the authors challenge us to consider how we deal with cultural distances between ourselves and these ancient writings and between one another in the contemporary world these goal of these essays is de centre the often homogeneous first world orientation of much biblical scholarship and open to up new possibilities for discovery of meaning and method
