the number one bestseller it s all here in this stunning first draft of the history of the presidency of donald trump sydney morning herald an icy iago like glimpse of the emotional and moral nullity that may be the source of trump s power observer a damning well reported well sourced and clearly written haymaker sunday times drawing on nearly three years of reporting hundreds of hours of interviews and more than two hundred sources including some of the most senior members of the administration friends and first hand witnesses who have never spoken before philip rucker and carol leonnig take us inside some of the most controversial moments of trump s presidency they peer deeply into trump s white house at the aides pressured to lie to the public the lawyers scrambling to clear up norm breaking disasters and the staffers whose careers have been reduced to ashes to paint an unparalleled group portrait of an administration

driven by self preservation and paranoia rucker and leonnig reveal trump at his most unvarnished showing the unhinged decision making and incompetence that has floored officials and stunned foreign leaders they portray unscripted calls with vladimir putin steak dinners with kim jong un and calls with theresa may so hostile that they left her aides shaken they also take a hard look at robert mueller trump s greatest antagonist to date and how his investigation slowly unravelled an administration whose universal value is loyalty not to country but to the president himself grippingly told a very stable genius is a behind the scenes account of trump s vainglorious pursuit of power in his first term

this is one of those books that will go down as the seminal work the determinative work in this field terrifying rachel maddow the first definitive account of the rise and fall of the secret service from the kennedy assassination to the alarming mismanagement of the obama and trump years right up to the insurrection at the capitol on 6 january 2021 by the pulitzer prize winner and 1 new york times bestselling co author of a very stable genius carol leonnig has been reporting on the secret service for the washington post for most of the last decade bringing to light the secrets scandals and shortcomings that plague the agency today from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders who put protecting the agency s once hallowed image before fixing its flaws but the secret service wasn t always so troubled the secret service was born in 1865 in the wake of the assassination of abraham lincoln but its story begins in earnest in 1963 with the death of john f kennedy shocked into reform by its failure to protect the president on that fateful day in dallas this once sleepy agency was radically transformed into an elite highly trained unit that would redeem itself several times most famously in 1981 by thwarting an assassination attempt against ronald reagan but this reputation for courage and excellence would not last forever by barack obama s presidency the once proud secret service was running on fumes and beset by mistakes and alarming lapses in judgement break ins at the white house an armed gunman firing into the windows of the residence while confused agents stood by and a massive prostitution scandal among agents in cartagena to name just a few with donald trump s arrival a series of promised reforms were cast aside as a president disdainful of public service instead abused the secret service to rack up political and personal gains to explore these problems in the ranks leonnig interviewed dozens of current and former agents government officials and whistleblowers who put their jobs on the line to speak out about a hobbled agency that s in desperate need of reform i will be forever grateful to them for risking their careers she writes not because they wanted to share tantalising gossip about presidents and their families but because they know that the service is broken and needs fixing by telling their story they hope to

revive the service they love
