captivity narratives have been a standard genre of writings about indians of the east for several centuries a until now the west has been almost entirely neglected a now gregory and susan michno have rectified that with this painstakingly researched collection of vivid and often brutal accounts of what happened to those men and women and children that were captured by marauding indians during the settlement of the west

distributed by the university of nebraska press for caxton press during the decades from 1820 to 1870 the american frontier expanded two thousand miles across the trans mississippi west in texas the frontier line expanded only about two hundred miles the supposedly irresistible european force met nearly immovable native american resistance sparking a brutal struggle for possession of texas s hills and prairies that continued for decades during the 1860s however the bloodiest decade in the western indian wars there were no large scale battles in texas between the army and the indians instead the targets of the comanches the kiowas and the apaches were generally the homesteaders out on the texas frontier that is precisely those who should have been on the sidelines ironically it was these noncombatants who bore the brunt of the warfare suffering far greater losses than the soldiers supposedly there to protect them it is this story that the settlers war tells for the first time

in recent years its medical implications have brought loneliness to the centre of attention of mass media government agents and the general public however as this volume demonstrates loneliness is not merely a psychological individual or health issue in multiple ways it is a serious social problem as well yang urges fellow researchers and scientists to broaden the existing definition and classification of loneliness to measure loneliness with greater accuracy and to establish more specifically the connection between loneliness and particular illness drawing on vast sources of data including literary works case studies and large scale sample surveys covering a broad spectrum of countries europe and beyond the empirical research of this study produces and presents simple but effective evidence for the social nature and variations of loneliness examining loneliness at higher levels including ethnic groups classes national cultures and societies loneliness will appeal to students and researchers interested in areas such as sociology psychology and mental health

discover how to boldly lead address conflict and inspire others in your business and personal life in the newly revised second edition of hostage at the table how leaders can overcome conflict influence others and raise performance clinical psychologist distinguished leadership professor and veteran hostage negotiator george kohlriseser comes together with his son andrew kohlriseser an experienced leadership negotiation and conflict resolution consultant to deliver another incisive and practical discussion of how to use the proven psychological techniques used in hostage negotiations to enhance your leadership skills both professionally and personally step by step the authors explain the seven key factors that anyone can use to remove the obstacles that stand in the way of resolving interpersonal business and leadership issues you ll discover proven techniques for interpersonal and business conflict management become a secure base for your team establish trust and learn how to bond with anyone explore how to identify where you are holding yourself hostage in your life and learn how to reclaim your agency and move toward a more empowered future a fascinating and hands on presentation of how to take the lessons drawn from tense high stakes hostage situations and apply them to the interpersonal and leadership problems you face every day hostage at the table is a must read resource for managers executives entrepreneurs founders and other business leaders seeking the latest research the most engrossing real world negotiation examples and the most effective solutions

is living together the answer since the late 1960s the number of couples living together before marriage has increased significantly as this phenomenon was

thought to be the answer to obtaining a successful marriage the theory that couples could practice seemed a perfect solution to an increasingly higher divorce rate after all many argued if we live together first we will really know if we re compatible mike and harriet mcmanus co founders of the marriage savers organization argue in this important book that theory and reality are often not the same they take a fundamental position that one can not practice permanence and unless a marriage is established as permanent a couple will not approach it the same way this significant finding has come from the mcmanuses fifteen years of studying marriage and divorce and their desire to help couples build strong marriages that last a lifetime in the pages of this book you will discover that the divorce rate is actually higher among couples who live together before marriage as well as important principles that really do give couples the necessary tools for a successful marriage consider this book an investment in yours or someone else s marriage whether you are a counselor seeking to help others in their marriage a parent helping a child as he or she is contemplating living with someone a pastor who needs a reliable tool to help couples in his ministry or a person considering living with someone yourself this book is for you

go ahead leave your loneliness behind we all want to matter to someone but the risks of relationship can seem far too great it s easier to just keep our distance we fear embarrassment misunderstandings and even rejection so we silently endure our loneliness we work on trying to be nice rather than being real hoping that others will like us or we might simply give in to the path of least resistance the life of hurry impatience and fatigue which feels familiar and safe we pay a terrible price to avoid authentic relationships it s time to stop denying your deepest longing the desire to be known and loved the naked soul shows you how to know and accept others and how to be known and accepted by others you can exchange the familiar but deadly territory of loneliness for the exhilaration of giving and receiving love you don t have to hide any longer break free from loneliness be the person god created you to be and start living a life that matters

Yeah, reviewing a book **A Cry Unheard** could increase your close links listings. This is just one of the solutions for you to be successful.
