originally published in 1978 but now re issued with a new preface by james mitchell this volume traces the rise of the snp with special emphasis on explaining the increase of the national party vote in scotland from the early 1960s to the late 1970s the book draws much of its information from interviews with members and ex members of the snp including some who helped to found the party in 1928 in describing the movement and giving an

account of its main features the author begins with a discussion of various aspects of scottish society which have contributed to the growth of nationalism these include the political developments of the labour movement the economic history of 20th century scotland the development of youth culture and in particular the interest in folk music as well as developments in the church the army and the press

scotland s populations is a coherent and comprehensive description and analysis of the most recent 170 years of scottish population history with its coverage of both national and local themes set in the context of changes in scottish economy and society this study is an essential and definitive source for anyone teaching or writing on modern scottish history sociology or geography michael anderson explores subjects such as population growth and decline rural settlement and depopulation and migration and emigration it sets current and recent population changes in their long term context exploring how the legacies of past demographic change have combined with a history of weak industrial investment employment insecurity deprivation and poor living conditions to produce the population profiles and changes of scotland today while focussing on scottish data anderson engages in a rigorous treatment of comparisons of scotland with its neighbours in the british isles and elsewhere in europe which ensures that this is more than a one country study

born in glasgow in 1904 dr john maccormick studied law at glasgow university and was one of the chief founding members of the national party of scotland in 1928 and with the merger of the nps and the scottish party of the scottish national party in 1934 in 1942 he left the snp and was instrumental in the forming the scottish convention which went on to produce the scottish covenant in 1949 upon which nearly two million signatures of support for a scottish parliament were obtained after a high profile trip to the us and canada to present scotland s case for home rule he was voted lord rector at glasgow university during his stint in this position he became involved in the plot to steal the stone of destiny from westminster abbey before going on to publish the flag in the wind in 1955 with a new introduction by the author s son this updated edition of john maccormick s seminal work examines the early years of the twentieth century nationalist movement in scotland providing an invaluable insight into people and events that help create and then shape the snp and its campaign to secure a devolved scottish assembly

re frames the computer animated film as a new genre of contemporary cinema
