most people in the united states today no longer live their lives under the guidance of local institutionalized religious leadership such as rabbis ministers and priests rather liberals and conservatives alike have taken charge of their own religious or spiritual practices this shift along with other social and cultural changes has opened

up a perhaps surprising space for chaplains spiritual professionals who usually work with the endorsement of a religious community but do that work away from its immediate hierarchy ministering in a secular institution such as a prison the military or an airport to an ever changing group of clients of widely varying faiths and beliefs in a ministry of presence winifred fallers sullivan explores how chaplaincy works in the united states and in particular how it sits uneasily at the intersection of law and religion spiritual care and government regulation responsible for ministering to the wandering souls of the globalized economy the chaplain works with a clientele often unmarked by a specific religious identity and does so on behalf of a secular institution like a hospital sullivan s examination of the sometimes heroic but often deeply ambiguous work yields fascinating insights into contemporary spiritual life the politics of religious freedom and the never ending negotiation of religion s place in american institutional life

at the heart of the role of chaplaincy is presence this manual designed for new chaplains explores four dimensions of presence 1 as the chaplain is present to him herself with compassion and awareness and 2 is present to the presence with sensitivity and authenticity he she then 3 moves outward to others with simple skillful means to help lighten their loads in life and 4 helps others to connect more deeply to the presence in ways that serve their highest good this is part training manual part memoir part prayer book and part self care handbook the author provides practical suggestions for pastoral support and prayer with others offers bits of wisdom to apply in one s ministry and uses stories from his pastoral work in detention and hospital ministries to provide concrete examples of ways to apply these ideas additionally this book is meant to help the chaplain nurture his her own soul through self care and prayer

this comprehensive introduction to the ministry of chaplaincy brings together three authors who oversee three of the leading chaplaincy programs in the united states written from an evangelical perspective the book covers the foundations of chaplaincy and surveys specific types of chaplaincy work in the first half of the book the authors delve into the history of chaplaincy work as well as its biblical theological and philosophical foundations they introduce students to important topics such as

endorsement placement and the constitutional and legal parameters of such work they also consider the person of the chaplain and the understanding of chaplaincy as christian ministry in the second half of the book the authors bring together expert contributors to survey ten specific contexts for chaplaincy work such as education healthcare the military corporations prisons public safety and sports and they explore the future of chaplaincy this book will be an invaluable resource for students of chaplaincy

the greatest asset which people in pastoral care offer in a caring relationship is themselves or to be more precise the aspects of self which they have reflected upon offering oneself to other people in order to provide companionship along the road of life especially when the particular stage on the journey is one of anticipated or actual loss is an act which is both challenging and yet potentially life enhancing for a carer the purpose of this book is to offer an aid to those who seek to understand themselves better with a view to enhancing the quality of spiritual and pastoral care they offer here the reference point for reflexivity is the caring relationship yet as we are fundamentally the same beings in personal and professional relationships readers may also find stimulus to reflect on what they bring to a variety of relationships including that with the sacred and indeed themselves

spirituality is in the spotlight while levels of religious belief and observance are declining in much of the western world the number of people who identify as spiritual but not religious is on the rise practices such as yoga meditation and pilgrimage are surging in popularity wellness regimes offer practitioners a lexicon of spirituality and an array of spiritual experiences commentators talk of a new spiritual awakening after religion and global mobility is generating hybrid practices that blur the lines between religion and spirituality the essays collected in situating spirituality context practice and power examine not only individual engagements with spirituality but they show how seemingly personal facets of spirituality as well as definitions of spirituality itself are deeply shaped by religious cultural and political contexts the volume is explicitly cross national and comparative the contributors are leading scholars of major global regions north america central america east asia south asia africa and the

african diaspora western europe and the middle east they study not only christian jewish and islamic societies but also non abrahamic societies with native as well as transnational sacred traditions

americans have long been asked to support the troops and care for veterans psychological wounds who though does this injunction serve as acclaimed scholar nadia abu el haj argues here in the american public s imagination the traumatized soldier stands in for destructive wars abroad with decisive ramifications in the post 9 11 era across the political spectrum the language of soldier trauma is used to discuss american warfare producing a narrative in which traumatized soldiers are the only acknowledged casualties of war while those killed by american firepower are largely sidelined and forgotten in this wide ranging and fascinating study of the meshing of medicine science and politics abu el haj explores the concept of post traumatic stress disorder and the history of its medical diagnosis while antiwar vietnam war veterans sought to address their psychological pain even as they maintained full awareness of their guilt and responsibility for perpetrating atrocities on the killing fields of vietnam by the 1980s a peculiar convergence of feminist activism against sexual violence and reagan s right wing war on crime transformed the idea of ptsd into a condition of victimhood in so doing the meaning of vietnam veterans trauma would also shift moving away from a political space of reckoning with guilt and complicity to one that cast them as blameless victims of a hostile public upon their return home this is how in the post 9 11 era of the wars on terror the injunction to support our troops came to both sustain us militarism and also shields american civilians from the reality of wars fought ostensibly in their name in this compelling and crucial account nadia abu el haj challenges us to think anew about the devastations of the post 9 11 era

ministry of presence speaks to the heart of chaplaincy it deals with the history and definition of chaplaincy as well as the chaplain s call to ministry and relationship to his church specific challenges within the framework of chaplain ministry such as pluralism prayer and proselytizing are also addressed ministry of presence would easily fit in the library of those already in the chaplaincy chaplain candidates who are preparing for ministry or anyone who is interested in learning about chaplaincy

the principles presented are not simply theory but have been born out of the context of Whit's experience and practicing what he preaches his insights will encourage and challenge anyone seeking to minister from a biblical perspective in any venue of chaplaincy

this book examines the services that chaplains provide to dying patients and the unique relationship that palliative care staff construct with people at the end of life it explores the nature of hope when faced with the inevitable and develops a theory of spiritual care rooted in relationship that has implications for all healthcare professionals
