at the greatest moments and in the cruelest times black women have been a crucial part of america s history now the inspiring history of black women in america is explored in vivid detail by two leaders in the fields of african american and women s history a shining thread of hope chronicles the lives of black women from indentured servitude in the early american colonies to the cruelty of antebellum plantations from the reign of lynch law in the jim crow south to the triumphs of the civil rights era and it illustrates how the story of black women in america is as much a tale of courage and hope as it is a history of struggle on both an individual and a collective level a shining thread of hope reveals the strength and spirit of black women and brings their stories from the fringes of american history to a central position in our understanding of the forces and events that have shaped this country

black woman s burden examines the historical endeavors to regulate black female sexuality and reproduction in the united states through methods of exploitation control repression and coercion the myth of the angry black woman has been built over generations through clever rhetoric and oppressive social policy here rousseau explores the continued impact of labeling and stereotyping on the development of policies that lead to the construction of national racial and gender identities for black women

though often consigned to the footnotes of history african american women are a significant part of the rich multiethnic heritage of texas and the united states until now though their story has frequently been fragmented and underappreciated black women in texas history draws

together a multi author narrative of the experiences and impact of black american women from the time of slavery until the recent past each chapter written by an expert on the era provides a readable survey and overview of the lives and roles of black texas women during that period each provides careful documentation which along with the thorough bibliography compiled by the volume editors will provide a starting point for others wanting to build on this important topic the authors address significant questions about population demographics employment patterns family and social dimensions legal and political rights and individual accomplishments they look not only at how african american women have been shaped by the larger culture but also at how these women have in turn affected the culture and history of texas this work situates african american women within the context of their times and offers a due appreciation and analysis of their lives and accomplishments black women in texas history is an important addition to history and sociology curriculums as well as black studies and women s studies programs it will provide for interested students scholars and general readers a comprehensive survey of the crucial role these women played in shaping the history of the lone star state

how black american women have uplifted black communities and critiqued dominant white memories in community and critique sara c vanderhaagen analyzes black women s memory work a deliberate public effort to create preserve revise and circulate accounts of the past to strengthen community bonds and effect change vanderhaagen draws from the resources of rhetorical studies public memory studies and black feminism to examine key examples of black women s memory work during the critical historical period between reconstruction and the harlem renaissance these instances include public addresses about exemplary women speeches given at the 1893 world s congress of representative women the 1923 campaign against the black mammy monument that was proposed for creation in washington dc and the 1926 biography collection homespun heroines and other women of distinction responding to a call by black feminist scholars to move beyond recovery toward deeper engagement with black women s intellectual and rhetorical work community and critique centers the memory work of black american

women to demonstrate the significant if underexamined role that they played in shaping our shared past

helicopters patrolled low over the city filming blocks of burning cars and buildings mobs breaking into storefronts and the vicious beating of truck driver reginald denny for a week in april 1992 los angeles transformed into a cityscape of rage purportedly due to the exoneration of four policemen who had beaten rodney king it should be no surprise that such intense anger erupted from something deeper than a single incident in the contested murder of latasha harlins brenda stevenson tells the dramatic story of an earlier trial a turning point on the road to the 1992 riot on march 16 1991 fifteen year old latasha harlins an african american who lived locally entered the empire liquor market at 9172 south figueroa street in south central los angeles behind the counter was a korean woman named soon ja du latasha walked to the refrigerator cases in the back took a bottle of orange juice put it in her backpack and approached the cash register with two dollar bills in her hand the price of the juice moments later she was face down on the floor with a bullet hole in the back of her head shot dead by du joyce karlin a jewish superior court judge appointed by republican governor pete wilson presided over the resulting manslaughter trial a jury convicted du but karlin sentenced her only to probation community service and a 500 fine the author meticulously reconstructs these events and their aftermath showing how they set the stage for the explosion in 1992 an accomplished historian at ucla stevenson explores the lives of each of these three women harlins du and karlin and their very different worlds in rich detail through the three women she not only reveals the human reality and social repercussions of this triangular collision she also provides a deep history of immigration ethnicity and gender in modern america massively researched deftly written the contested murder of latasha harlins will reshape our understanding of race ethnicity gender and above all justice in modern america

texts of 14 children s plays meant to be acted by boys and girls with staging diagrams musical scores of songs and a general introduction on staging costuming and dancing in children s theater
