may 28 2021 i have recently come across the code gt in r it is a vertical line character pipe followed by a greater than symbol here is an example mtcars gt head what is the gt code

nov 25 2014 i have seen the use of gt percent greater than percent function in some packages like dplyr and rvest what does it mean is it a way to write closure blocks in r

a carriage return r makes the cursor jump to the first column begin of the line while the newline n jumps to the next line and might also

to the beginning of that line

for boolean values there is no difference between bitwise and logical operations but for arbitrary integers the result differs for instance 1 2 3 in most programming languages however this is

the infix operator is not part of base r but is in fact defined by the package magrittr cran and is heavily used by dplyr cran it works like a pipe hence the reference to magritte s famous
