this book provides detailed empirical data regarding chambers of commerce their peak organizations and trade associations of thailand that has moved away from a pure form of bureaucratic polity to liberal corporatism

after more than 40 years of market reform and transformation chinese business associations have come to play an important role in china s economic and social system this book explores the role that these organizations play and what that means for the relationship between the state and society in contemporary china how exactly should chinese business associations conduct policy engagement what factors influence the policy engagement behaviors of chinese business associations in this book professor shen sheds lights on the inner working of china s economy and society as it seeks to move up global value chains

global business tends to be perceived as a number of individual but powerful multinational corporations capable of controlling markets and influencing political decisions in fact global business is highly organized through a plethora of associations that bring together competing companies and conflicting national businesses indeed global business associations have a long history and with accelerated globalization further opportunities emerge for unified business action this book fills a significant gap in the current literature examining the pivotal role of global business associations and providing a concise and accessible overview of their different functions in a range of institutional contexts beginning by clarifying the concept of global business associations the author puts their role into a historical and contemporary context in which their economic social and political functions are sketched their historical origin is outlined including the proliferation of global associations in the twentieth and twenty first centuries he then moves on to explore and analyse the different types of actors explaining key categories and their place in the organization of global business with chapters on peak associations e g icc and wef industry

associations alliances as well as clubs and think tanks and facilitators covering the history current role and future evolution of this dynamic category of associations this work will be essential reading for students and scholars of international political economy international relations international organizations and global governance
