journey back into the vault invites people to travel with author mario cartaya back to the land of his birth for the first time in fifty six years as he seeks to reclaim his forgotten childhood memories original identity and once promised destiny join mario as he searches for the now faded footprints he once left behind in the homes school and playgrounds of the first nine years of his life in 1950s cuba before fidel castro came into power and his family became political exiles help him honor the grandparents uncles and aunts he never saw again at their final resting place and meet family members he never knew existed laugh sigh and cry during the many unforeseen experiences astonishing events and serendipitous moments that would forever change his life enjoy the improbable story of a courageous journey aimed at breaching a subconscious vault once built to store the difficult memories of a childhood usurped destiny denied and loving family forever separated by geopolitical events journey back into the vault is the story of those psychological forces that help define humans the power of enduring hope and how by achieving purity of heart reconciliation and a soul at rest people can evolve into better versions of themselves a universal message of love and enlightenment that can only begin with each individual s search for self actualization and inner peace

no nos lo hubiéramos creído si no lo hubiéramos hecho por nosotros mismos realmente usted también puede escribir un libro electrónico sin escribir nada debido a un interesante giro legal usted puede contratar a un escritor y luego cuando el escritor finaliza el trabajo usted es propietario de ejecutar los derechos de autor de la obra si suena demasiado bueno para ser verdad pero casi lo es pero hay algo más que es casi demasiado bueno para ser verdad producir un libro electrónico tiene un coste casi nulo frente a la producción de un libro de tapa dura en realidad es un coste bastante asequible para cualquiera que tenga la intención de recuperar su dinero con la venta de los libros electrónicos un hecho más para ser casi

demasiado bueno para ser cierto los libros electrónicos generalmente se venden por el mismo precio que uno tradicional con lo cual el margen de beneficio en la venta se incrementa notablemente frente al libro tradicional le contaremos un poco acerca de nuestro proyecto a medida que internet comenzó a extenderse sobre el mundo el símbolo del euro siempre estaba presente al ver el gigantesco escaparate que supone internet investigamos durante un tiempo para ver quienes estaban ganando dinero gracias a esta evolución
