paulo coelho a warrior s life is the definitive authorized biography of one of the world s most popular and widely read authors and the story of how his enormously popular novel the alchemist came to be fernando morais the preeminent biographer in brazil and a groundbreaking journalist traces coelho s roots in brazil to his time as a musician and pop lyricist to his wild days of rock and roll to the publication of the the alchemist and beyond telling the true tale of one of the most adored authors of our time

paulo coelho is a worldwide phenomenon at a time when he is coming up to the fantastic

achievement of 100 million copies sold worldwide across all his books his fans will be delighted with the first ever official biography of paulo an in depth look at his life and work and what makes him the much loved author he is today

cervantes now mythical character of don quixote began as a far different figure than the altruistic righter of wrongs we know today the transformation from mad highway robber to secular saint took place in the romantic era but how and where it began has just begun to be understood germany and england played major roles but contrary to earlier literary historians pascal racine rousseau and the jansenists scooped henry and sarah fielding jansenism a persecuted puritanical and intellectual movement linked to pascal identified itself with don quixote s virtues excused his vices and wrote a game changing sequel mediated by the transformative powers of a sorcerer from commedia dell arte as an early romantic rousseau was attracted to the hero s fertile imagination and tender love for dulcinea foregrounding the would be knight s quest in a play and his best selling novel julie sarah fielding reacted similarly basing her utopian novel david simple on the jansenist concept of quixotic trust in others colahan here reproduces and explains for the first time the extremely rare original illustrations of the french sequel to cervantes novel and documents the fortunes in french culture of the magician at the heart of the romantic quixote introduction of this book is freely available as a downloadable open access pdf at taylorfrancis.com under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license

the question why do they hate us is one of the most oft cited puzzles of contemporary american affairs yet it s not clear to whom they or us refers nor even what hate means in this bold new work ella shohat and robert stam take apart the hate discourse of right wing politics placing it in an international context how for example do other nations love themselves and how is that love connected to their attitudes toward america is love of country monogamous or can one love many countries when can a country s self love be a symptom of self hatred drawing upon their extensive experience with south american european and middle eastern societies the authors have written a long engagement with a problem that refuses to go away flagging patriotism considers these complex features of being patriotic and in so doing insists that the idea of patriotism instead of being rejected or embraced be accorded the complex identity it possesses

this ambitious and vivid study in six volumes explores the journey of a single electrifying story

from its first incarnation in a medieval french poem through its prolific rebirth in the nineteenth and twentieth centuries the juggler of notre dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life jan ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century paris before its translation into english in britain and the united states the visual influence of the tale on gothic revivalism and vice versa in america is carefully documented with lavish and inventive illustrations and ziolkowski concludes with an examination of the explosion of interest in the juggler of notre dame in the twentieth century and its place in mass culture today in this concluding volume ziolkowski explores the popularity of the juggler of notre dame from the 1930s through the second world war especially in the allied resistance its popularity in the united states was subsequently maintained by figures as diverse as tony curtis and w h auden and although recently the story and medievalism have lost ground the future of both holds promise presented with great clarity and simplicity ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies

the long tradition of kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of kierkegaard research the large and ever increasing number of publications on kierkegaard in the languages of the world can be simply bewildering even for experienced scholars the present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications the volume is divided into two large sections part i which covers tomes i v is dedicated to individual bibliographies organized according to specific language this includes extensive bibliographies of works on kierkegaard in some 41 different languages part ii which covers tomes vi vii is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for kierkegaard the goal has been to create the most exhaustive bibliography of kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of kierkegaard studies

what does it mean to belong in a nation all work is cultural work examines how haitian women

living in diaspora find and create status through their work outside the home nikita carney draws on ethnographic data gathered over several years in boston montreal and paris with women who left haiti in search of other things safety financial security and opportunity ranging from administrative assistants to dancers to preschool teachers the women in this study share their rich experiences teaching us how they found a place in their new host nations through paid labor focusing on small daily interactions in the workplace these women s narratives highlight the ways in which often invisible daily cultural practices build and re build both the nation and the home taking into account the overlapping and interlocking systems of oppression her participants face both nationally and globally carney uses an intersectional analysis to illuminate how the workplace serves as a central site in which haitian women become raced gendered and classed within the nation ultimately the lives and experiences of these women point to one conclusion culture is indivisible from labor and labor from culture with paid labor providing a vital method for national culture to be created and recreated each and every day

the context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of the fines for noncompliance have increased dramatically in parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people this change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal in this more complex environment to transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition while each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain this book is a source of information that connects yesterday with today the author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves the book covers theories of ethics but with an eye focused on practical application risks ethics and compliance are analyzed with an overall vision

connected to the reality of business life without getting bogged down in abstract thinking or in technical and regulatory details ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations thus due to the importance of risk management in the business world and the necessary involvement of the ceo and the board of directors it seems appropriate that executives get access to a book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader this book is a wake up call that allows business leaders to understand the benefits of implementing an effective ethics and compliance program that will help members of organizations to make the right decisions and act within the law if they do they can better prevent and react to the difficult obstacle course of risks dangers and threats that organizations face and that may jeopardize the sustainability resilience and survival of companies

embark on a thrilling literary odyssey with detective fiction through ages a captivating exploration of the genre s evolution from bygone eras to the present day delve into the minds of literary giants such as edgar allan poe whose dark and macabre tales laid the foundation for the genre witness the psychological depth of fyodor dostoevsky s works where complex characters grapple with the eternal struggle between good and evil experience the grandeur of victor hugo s storytelling as he weaves intricate plots within the tapestry of historical events detective fiction through ages pays homage to literary pioneers like vikas swarup anita nair satyajit ray austin freeman e c bentley g k chesterton and melvin davisson post as they reshaped the genre with their distinctive approaches showcasing their contributions to a genre that continues to captivate readers worldwide from the classic tales that laid the groundwork to the fresh perspectives of contemporary authors this book celebrates the enduring power of detective fiction and its ability to transport us into a world of intrigue suspense and relentless pursuit of truth

joaquim maria machado de assis 1839 1908 never left brazil and rarely traveled outside his native city of rio de janeiro yet he is widely acknowledged by those who have read him as one of the major authors of the nineteenth century his works are full of subtle irony relentless psychological insights and brilliant literary innovations yet because he wrote in portuguese a language outside the mainstream of western culture those with access to his writings are relatively few this book is designed not only to call new attention to this master but also to raise

questions about the nature of literature itself and current alternative views on how it can be approached four essays address the question of machado s realism in the five masterpiece novels of his maturity especially dom casmurro the noted contributors include john gledson university of liverpool jo«o adolfo hansen universidade de s«o paulo sidney chalhoub universidade de campinas and daphne patai university of massachusetts at amherst dain borges of the university of california at san diego says this is the only collection explicitly debating the question that polarizes contemporary brazilian criticism of machado de assis was he a sophisticated late realist or was he a pioneering anti realist even a postmodernist the essayists marshal their evidence and argument with virtuosity and arrive at sharply opposing conclusions
