this book is about a family s dramatic escape from romania during its communist rule journey with this family through muddy canals rebel capture and the triumphant farewell to a life that molded character and spiritual fortitude

biographical account of few hindus who converted to christianity

throughout our lives we are influenced by others in many ways sometimes these influences are helpful and sometimes they are a restriction to our personal freedom there is also a person who is closer to us than any other but can also sabotage our personal freedom very successfully we can sometimes be our own personal enemy without realising this fact this book describes various ways in which our freedom is restricted by ourselves and others there are also suggestions that could help us to understand and overcome the real and imagined threats to our personal freedom

the fate of nations during war depends on how well men fight and these stories tell us how the indian armed forces and the mukti bahini fought for the cause of freedom paradoxically it is the value of love that was the motivating factor in this war of liberation love for one s country love for ones brothers in uniform love for the people and love for freedom for it is on the altar of love that men and women in uniform place their lives in the line of fire and are prepared to make the ultimate sacrifice if need be so that others may live it is hoped that these stories inspire the youth of the country and motivate them to join the armed forces a profession that has no equal

wolf dogs mud pits and capture oh my immerse yourself in the quest for freedom revised edition a captivating journey recounted by corina pataki a native of romania from romania s era of suffocating communism and stifling government amidst seemingly insurmountable odds corina unveils her family s unyielding pursuit of freedom while shedding light on the remarkable power of hope venture alongside them into a realm where supernatural forces intertwine with the mortal realm transcending boundaries between space and time between the supernatural ethereal and cosmic planes within this captivating narrative we witness this family s unwavering determination and the beacon of a brighter future that steered them through perilous trials guided by interventions from unexpected sources both spiritual celestial and human corina s vivid storytelling reminds readers that even in the bleakest moments a spark of hope faith and the unwavering spirit to endure breaks through the shadows of despair through this incredible journey we re reminded that the divine creator orchestrates circumstances for our ultimate good even in the seeming face of death each of us at times must embark on a personal quest for freedom striving to break the chains that confine us and walk out our liberation just as supernatural interventions propelled their path to freedom the same awaits anyone choosing their own liberation our inherent connection to the divine source will always empower us to overcome any obstacle on our personal quest for freedom order your copy today and then order one for your friend or family that maybe needs encouragement to engage in their quest for freedom

presents first hand stories told by entrepreneurs artists jews gypsies russians housewives and students in eastern european countries illuminating the meaning of freedom as it is discovered anew the authors examine the connection between freedom and the emergence of new forms of authoritarianism nationalism and anti semitism in hungary and estonia annotation copyright by book news inc portland or

this book describes and analyzes the gravest crisis now facing constitutional democracy the fundamental conflict between liberal and egalitarian values particularly stressed in this analysis are such aspects of the crisis as its origins ideological tensions and public policy ramifications

clayton defends the idea of human freedom as an emergent property against various forms of reductionism especially as evidenced in the writings of some philosophers working through an enormous amount of scholarly literature much of it in the area of evolutionary biology he tries to show how human freedom even the freedom implicit in religious transcendence can be thought to emerge from more primitive levels his lectures and this book are outstanding examples of the constructive dialogue among natural science philosophy and religion of the sort that the frankfurt

lectures have sought to promote book jacket

award winning scholars and veteran teachers deborah gray white mia bay and waldo e martin jr have collaborated to create a fresh innovative new african american history textbook that weaves together narrative and a wealth of carefully selected primary sources the narrative focuses on the diversity of black experience and culture and the impact of african americans on the nation as a whole every chapter contains two themed sets of written documents and a visual source essay guiding students through the process of analyzing sources and offering the convenience and value of a two in one textbook and reader

what if everything that you thought of as being real wasnt could you live knowing that your life isnt what youve expected it should be like well imagine a world in which all that is so the world of granod is a very different place from what it once was the great blue dragon created the world about two thousand years ago where animals of any kind could roam freely among humans elves and other races however when the dragon lord was tricked and taken from the ideal place he has called home all rights and rules that had been associated with freedom instantly vanished now women were the rulers and men were nothing but slaves it was a life style that was known to all until david a seventeen year old slave decided that wasnt the life he could stand anymore upon packing whatever belongings he had including his pet red dragon david fled from everything he knew was unjust then meeting a woman named julia who appeared nothing like any other woman david had ever known it was decided that the only way to get him out of danger was to partake in the adventure that was called upon by the mayor the mayor proclaimed find the eight dragon jewels that will bring our lord back to this world and receive money and fame sounds simple right wrong through finding clues along the way discovering a love that would not fade and meeting new people including julias cousin kat weapon smith raven kats friend john a mysterious witch tashe and many more it is hard to differentiate who can be trusted to come along on this quest however they for now must learn to cooperate if the jewels as well as mans freedom have any chance of being rediscovered

the pursuit of freedom has marked western culture since renaissance humanism and protestantism began the fight for individualism and self determination this freedom however can make people feel unmoored and is often accompanied by feelings of isolation fear and the loss of self all leading to a desire for authoritarianism conformity or destructiveness in his examination of the roots of nazism and fascism in europe the author explains how economic and social constraints can lead to authoritarianism
