the city of denver was born during the great pikes peak or bust gold rush of 1859 when flakes of placer gold

were found where the south platte river meets cherry creek with the discovery of more gold denver became a boomtown and african american pioneers began to arrive in search of prosperity and a better future initially denver s african americans lived scattered throughout the city and in the cherry creek area by the late 1890s most had relocated to the five points neighborhood many worked in denver during the week and farmed their homesteads in dearfield on the weekends they often spent their holidays at winks lodge and summers at camp nizhone

we are an urban nation and have been so officially at least since the early twentieth century but long before then our cities played crucial roles in the economic and political development of the nation as magnets for immigrants from here and abroad and as centers of culture and innovation they still do yet the discipline that we call urban history is really a phenomenon of post world war ii scholarship now after a generation of pathbreaking scholarship that has reoriented and enlightened our perception of the american city the two volumes of the encyclopedia of american urban history offer both a summary and an interpretation of the field with contributions from leading academics in their fields this authoritative resource offers an interdisciplinary approach by covering topics from economics geography anthropology politics and sociology key features addresses the rise of urban america using a concise readable and historical format focuses on the 20th century a century with the most dramatic urban growth and a time when the united states transformed from being a nation of shopkeepers and farmers to an urban industrial and then post industrial society defines urban broadly including suburban environments and even something new and literally far out called penurbia offers both a referential and a reverential approach to produce a work that functions as a research tool and as a commemoration of scholarship includes contributions from leading academics and scholars as well as from those who work for non profits governments and corporations the encyclopedia of american urban history is a fundamental reference work intended to ground and inspire future research in the field it is an essential resource for any academic library

examines the history and culture of mexico and its relations with its neighbors to the north and east from the spanish conquest to the current presidency of vicente fox
