how everyday wetness from finger smudges sweat and spilled drinks to showering and swimming collides with consumers media devices designed to stay dry license to spill investigates the everyday moments activities and spaces where media technologies and liquids collide from disastrous spilled drinks that corrode laptops and drops in the toilet that drown smartphones to the greasy finger smudges and sweat droplets that sully screens and glitch smartwatches putting historical and present day case studies in conversation rachel plotnick considers how people's experiences with media devices inevitably encounter wetness and yet consumers not the companies who make the devices take the blame when leaks spillages and overflows occur along with thinking about preventive measures and device caretaking license to spill examines how water resistant and waterproofed technologies through their design and marketing imagine the brawniest and hardest of users meant to punish and abuse their tough devices granting them unfettered permission to get wet examining a long history of torture testing and hyperbolic claims of imperviousness the book demonstrates how protective designs relate to broader cultural ideas about media use as sporty luxurious excessive or messy this context is especially relevant given that the market for water resistant bags cases coatings and seals has flourished over the past decade with new rhetoric about wetness as natural and digital technologies as ever present the book pushes us to attend to both the ideals and problems that arise when designing resilient devices ranging from the right to repair movement and lawsuits over ingress protection ip ratings to obsolescence culture and work from home activities in the wake of the covid 19 pandemic

shelving guide environmental engineering in situ burning is recognized as a viable alternative for cleaning up oil spills on land and water it can rapidly reduce the volume of spilled oil and eliminate the need to collect store transport and dispose of recovered oil and can also shorten the response time to a spill thus reducing the chances that the spill will spread on the water surface or further into land this book will serve as a comprehensive reference for all aspects of in situ burning of oil spills and include the scientific aspects of the burning process and the related effects as well as practical information about the procedures to be followed and equipment required for carrying out an in situ burn features serves as a complete source of information on in situ burning as well as practical guide on how to implement the procedures explains procedures for burning in different situations including on water land and ice provides information on worker health and safety precautions

during burning covers several different types of emissions their environmental fate and how to monitor them includes numerous illustrative case studies

an old loner and his misfit dog spend a year on the road in this acclaimed irish novel of singing prose and two unlikely beckettian wanderers the guardian uk it is springtime and an isolated man shunned by his village has forged a connection with the one eyed dog he s taken into his tightly shuttered life but as their friendship grows their small seaside community becomes suspicious and when an accident is misconstrued as menace this pair of outcasts must take to the road as they travel from town to town sleeping in the car and subsisting on canned spaghetti the man confides in one eye the strange and melancholy story of his life with its gorgeously poetic prose s pill simmer falter wither has garnered enthusiastic praise in its native ireland where the irish times pointed to baume s astonishing power with language and praised it as a novel bursting with brio braggadocio and bite baume has a rare ability to look afresh at muted scenes and ordinary objects the book hums with its own distinctiveness the guardian uk

the transportation research board s committee on surface properties vehicle interaction recognized that no comprehensive effort had ever been made to compile and discuss the various kinds of discontinuities that occur in roadway surfaces and their influence on traffic safety consequently a task group was appointed by the committee to compile such a document the objectives of the task group were to identify and discuss the safety implication of significant categories or surface discontinuities and document relevant literature for each category the results of the task group s activity contained in this report will provide a useful resource for decision makers and others involved in providing and maintaining safe traveled surfaces

this valuable work published in september 2000 provides a comprehensive review of the environmental condition of the seas of the world sea by sea and region by region it focuses on all aspects of man s interactions with the seas and with their biological and physical systems the three volumes of seas at the millennium an environmental evaluation cover issues of global and regional importance such as biological description of the coast and continental shelf waters development and use of the coast landfill and its effects pollutant discharges over time effects of over fishing management methods and techniques used to ensure continued ecosystem functioning the relative importance of water borne and airborne routes differ in different parts of the world so routes and paths of pollutant movement in different areas will be examined

and described in their local and global context each chapter is written by experts in the field the regional chapters include an historical overview of the area concerned in environmental terms uses to which it has been put and to which it is put today its current environmental status and major problems arising from human use of both the sea and its watershed informed comment on major trends problems and successes and recommendations for the future the global issues chapters cover major habitats and species groups governmental education and legal issues fisheries effects remote sensing climate change and management
