bill stuhlly brennenstuhl s new book the gears for grooving on drumset encompasses all the tools a beginner advanced drummer would need to really groove on the drums the book ties together the rudimental motions of down and up strokes to help drummers feel the metronome instead of chasing it down each chapter starts with a technique study then the strokes are broken down into a rudiment finally the student applies the motions to the drum set all the while learning to feel the timing for the beginner this gives a solid foundation with the metronome to perfect feel and timing for intermediate to advanced it s a good refresher study of rudiments and techniques 1

the drum set styles encyclopedia is a non comprehensive introduction to essential styles and time feels for drummers this book and cd package features over 50 essential styles and time feels and is a must have for drummers of all levels perfect for the aspiring freelances or any versatile minded player

a functional book for beginners designed to develop drumset technique and the corresponding elements of jazz drumming

this book teaches the complete novice everything they need to know to start playing drums right away the music lover who has never even sat behind a drum will be playing drum beats and rolls immediately learning everything from how to buy a drumset hold the sticks and make a good stroke to playing basic beats and fills on the drumset

developed to increase the speed and ease of getting around the drumset using rudiments as the foundation the cross sticking and drum to drum patterns used in this book will increase the student's coordination skills familiarity of the drumset and soloing vocabulary an exceptional way to incorporate rudiments into the drumset performer's practice routine

jungle drum n bass is a high energy fast paced new trend of music heard in commercials on soundtracks and in clubs around the world this book and two cd package is a must for all drummers wanting to explore the world of electronically produced jungle drum n bass grooves if you are new to jungle this book will open the door to new grooves loops and sounds on the acoustic drum set it also provides a wealth of exercises transcriptions and sound applications to achieve the feel and style of these futuristic beasts from back cover

this book provides hundreds of useful backbeats for the drumset you will learn to play backbeat grooves with solid time and good feel beats are shown with essential variations and embellishment rock blues pop funk soul and many other styles are included there are lessons on muscle memory practice ghost notes open hi hat hi hat with foot this book is uniquely organized to develop coordination and confidence the cd demonstrates the examples found in the book

a method book for the development of complete independence on the drumset

full of essential tips and exercises to improve a drummer's most important techniques the drumset smart style mechanics applications routines tips book is a text with easy to understand terminology steve explains the mechanics and musical aspects of drumming as if he were teaching a lesson one on one whether you are just beginning your studies or are an experienced player this smart book to drumset can be used as a resource for instant solutions at your finger tips companion cd is included

intended for the beginning drum student this book contains many essential reading and

playing skills for the snare and drumset these studies are integrated in a logical sequential order for example a new rhythm is introduced and studied on the snare drum then later applied as a beat and then a fill the same rhythm will appear later in the book for review and then in one of the play along tunes this way each concept is reinforced and utilized in different ways because of the need to stress the importance of dynamics and their role in the proper execution of playing a piece dynamic markings are included in many of the snare drum exercises the author has gone to extreme measures to provide a fun and humorous way of learning to play drums while at the same time implementing the fundamental tools necessary to be a proficient musician the companion cd presents eight play along tunes with and without the drums

the classic jazz independence book is now new and improved and with online audio jim chapin known as the father of jazz independence has written one of the most popular drumset books of all time this classic work should be in every drummer s library as there is always something new to learn and develop from this masterful book whether for a beginner or an accomplished drummer this system will greatly improve independence and coordination sticking power speed and endurance on the drumset dedicated to sanford moeller this book proves jim s teaching techniques like no other

this book is designed to take the drummer to new heights in limb independence and melodic thought with the use of repeated patterns played between 2 or 3 limbs on the drum set the ostinato the drummer plays melodic rhythms and phrases around the toms with the available limb s over the ostinato with over 60 pages of ostinato exercises plus 4 challenging solos at the end there is no other book like it

the purpose of this book is to take rhythmic figures originally learned on the snare drum and apply them to the drumset in doing this the student is introduced to several cross sticking and drum to drum patterns using eighth triplet and sixteenth notes this approach to the drumset is an excellent way to develop the coordination and speed of getting around the drums with ease while also helping with soloing

in this second edition of on the drums lesson plan session 1 you get a concise lesson plan perfect for anyone interested in learning to play the drum set the book has been updated to be easier to follow and is designed to be used in concert between student and instructor it begins with a lesson outline and each exercise has a checkbox next to it to be marked off when learned there is room for the instructor to add additional exercises and for the student

to add songs they want to learn accompanying the book are videos demonstrating the lessons at the end of the book there is a certificate of completion to be presented to the student full of eye opening information and great resources this book will help new drummers build confidence and welcome them into the fun rewarding and exciting world of drumming

drummers all around the world try to out do each other on who can play the fastest paradiddle if you go to any music competition or percussion recital one would hear a dozen snare drum solos played at blazing speeds that's what comes to mind when talking about the drum rudiments and technique speed and how can i play them faster i like to look at the rudiments in a different way i learned them so i could play interesting ideas and phrases around the drum set with ease it is not necessarily about playing fast if you think back to your school days and having to learn vocabulary words the more words you learned the more intelligent you were able to speak you were also able to communicate your ideas easier if you think of the rudiments as words then the more of them you know and can play the more interesting your music and drumming will be and if you need to be able to play something at a fast tempo then you will have the technique to play it after many years of teaching drum set to young drummers i find the most enjoyable way for the student to learn the rudiments is through solos the student is able to hear and perform the rudiment in context sort of like using that new vocabulary word in a sentence in this book i have written 12 drum set solos built around the rudiments each new solo will use a new rudiment with some containing more than one to learn the solos will also list and use rudiments played in previous solos this repetition will embed the stickings into the mind of the student the last solo is a combination of all rudiments used and the student gets to create his or her own rudimental solo in four measure phrases i hope you enjoy playing these solos and learn to create some new musical drumming ideas in your own playing

english spanish practical applications using afro caribbean rhythms to develop command and control of the drumset formerly a three part series that explores afro caribbean rhythms as applied to the drumset this revision combines the series into one book and online audio the unique approach is in teaching rhythms while developing total drumset technique and independence includes english and spanish text and an authentic recording performed by a band of latin music all stars styles covered include cha cha cha samba mambo cumbia bolero 6 8 merengue songo bossa nova ny mozambique also covers latin jazz rock and funk applications for these styles
