containing over 500 entries this historical reference work provides an a z of alien and non human encounters it details the events encounters personalities and theories that have created this field of human experience and inquiry

in this compelling and revealing examination author rupert matthews looks afresh at key episodes of alien activity on earth and sheds light on the many mysterious

phenomena associated with it from roswell to taizÃ the book dissects fascinating eyewitness accounts of communication and contact with alien beings as well as chilling cases of a

big bad and purple indulge in some alien romance includes 4 books accidental abduction intentional abduction dual abduction and mercenary abduction

the latter half of the twentieth century has often been called the space age but it might arguably be dubbed the alien age as well ever since an american businessman reported seeing what he called saucers flying over washington state in 1947 hundreds of thousands of people around the world have announced their own sightings of unidentified flying objects or ufos of these witnesses more than three hundred report that they were taken aboard ufos many to be subjected to physical examinations by extraterrestrial beings still more extraordinary about thirty of those who claim to have been abducted say that after their physicals they were transported beyond earth s familiar surroundings to visit other worlds

hope sacrifice unity a century and a half in the future humanity has ventured into space encountering strange alien races and diverse new worlds yet in the dawn of this new age earth is assaulted by a menace from its past twisted once human creatures called aberrants humanity s greatest defenders men and women gifted with formidable psychic powers stand against this horrific threat armed with psionic abilities and biotechnological enhancements and aided by mysterious aliens these guardians hope to fend off the invasion and protect humanity from its own twisted reflection the adventure series that explores the trinity universe s mysterious and dangerous alien races

the subject of aliens is not a new one and has been around for a really long time now we talk about it all the time news and articles about the possibility of alien visits or attacks are everywhere perhaps this has become so common that people have started to shrug it off thinking this is just one of those science fiction topics that media loves to sensationalize if all of a sudden we have an alien encounter one day are we psychologically prepared for this like many of you even i think we are not in fact we might be in a state of shock as they might turn out to be completely different from any of our imaginations about them but if we are prepared for anything then such an alien encounter might not be shocking the objective of this book is to prepare its readers psychologically to deal with the subject of aliens and the first alien encounter in other words aiming to prepare humanity with the cope of a possible shock upon an impending alien encounter there are a lot of

mysteries in this world that might have some paranormal behavior associated to them but they are kind of scattered and appear here and there in other words although these mysteries have been documented well enough by a lot of people from time to time but they do not appear related this book attempts to bring together these mysteries and relate them with one possible explanation that is common the alien connection also it is trying to bring this subject out from the confines of a circle of scientists subject experts and enthusiasts to a common person so this book is for a common man by a common man
