most people think star wars began with the ideas of ronald reagan but its roots reach decades further back in this first scholarly account of the origins of the strategic defense initiative sdi historian don baucom traces these roots back to the dawn of the missile age in 1944 he finds sdi emerging after a period of nearly 40 years from forces generated by technological developments changing strategic conditions and the collapse of the salt arms control negotiations of the 1970s

a concise survey and analysis of presidential attempts over the last thirty years by democrats and republicans alike to dismantle the regulatory state that first appeared under fdr argues that the war against regulation failed and that its excesses remind us of the value and proper role of regulation in american government

beyond the battles themselves glantz also presents an in depth portrait of the red army as an evolving military institution assessing more clearly than ever before the army s size strength and force structure he provides keen insights into its doctrine strategy tactics weaponry training officer corps and political leadership in the process be puts a human face on the red army s commanders and soldiers including women and those who served in units security nkvd engineer railroad auto transport construction and penal forces that have till now remained poorly understood book jacket

examines the law and politics surrounding the bakee case a case claiming reverse discrimination considered by many as the most important civil rights decision since the end of segregation

by the time pearl harbour had ripped apart america s peacetime pretensions the german blitzkrieg had already blasted the red army back to the gates of moscow yet less than four years later the soviet hammer and sickle flew above the ruins of berlin stark symbol of a miraculous comeback that destroyed the german army and shattered hitler s imperial designs
