celebrated catholic scientist dr gerard verschuuren explores and synthesizes the various scientific studies conducted on the shroud including those analyzing dna blood carbon pollen textile and anatomical issues as well as its storied history

numerous studies have been carried out on byzantine coins but there are still no univocal interpretations on the details of the figures represented there and in particular on those relating to jesus christ the information derived from the studies on the holy shroud the most important relic of christ in christianity has clearly resulted in some new interpretations this is the first book in the world that deals extensively with the effigy of christ despite being the most sought after and collected by numismatists furthermore the book relates the different images of the redeemer on byzantine coins with the image of jesus christ on the shroud the most important relic of christianity the numerous collectors will therefore be interested in having not only a numismatic analysis of these coins but also a historical religious study this book which should be understandable to everyone demonstrates the strong influence that the shroud had in the byzantine era

this essay divulges what the research has established about the famous shroud of turin and it is not intended to persuade to believe that the cloth of turin really wrapped the body of christ a couple of thousands year ago the author returns several times to certain subjects according to different perspectives the reader does not consider such reiterations as not necessary and involuntary the work includes a general introductory part at some point considering it useful already with in depth studies as for the medical conclusions of the anatomopathologist pierluigi baima bollone and a section divided into chapters specifically dealing with particular topics already covered in the first part for example the photographs of the shroud and a chronology this essay has been updated several times by the author the essay is not intended to persuade to believe that the sheet of turin has really wrapped the body of christ a couple of thousand years ago or as commonly said that it is authentic on the other hand authenticity can also mean something else you can say the shroud preserved in turin is the cloth that wrapped body of christ but it could be different than simply assume that an item is two thousand years old and if i do not take a position on the fact that this famous sheet wrapped jesus i suppose that the reasons for thinking that the shroud is very ancient are prevailing as there are currently lots of evidence to support it and only two against of which only one seems objectively to be considered the radiodating tests on shroud samples which determined the age of the sheet at lower medieval period but they are increasingly disputed by christian experts scientifically and not only the other reason against the shroud is a prejudice that comes both from anticlerical laity and from the majority of the christians reformed preclusion that leads the first to ignore the theme and sometime to mock it and leads the protestant believers to condemn the veneration of the shroud which they consider to be a mere symbol created by human hands they follow the old testament condemnation of make for yourself images historically born for anti idolatrous reasons although catholics argue that the prohibition existed only before god was incarnated in jesus showing himself to the world as image that is as carnal human figure

without any possibility to be confused with graven images there are moreover catholics who deny authenticity in the sense that the shroud isn't precisely the one that wrapped Jesus and you can find protestants which assume it is authentic at least in the second sense of the term or even in the first in any case it should be stressed that the Christian faith is not based on the shroud of Turin but historically on the oral witness of the apostles on Christ's resurrection gathered within the first century in the books of the New Testament and come down to us because it was preserved by the church over the centuries with systematic control of matching between the new copies and the previous ones starting with the oldest with this spirit comes the second edition of the essay of Guido Pagliarino on the shroud carried out considering new data and correcting a couple of inaccuracies in the book released years ago the author returns several times to certain subjects according to different perspectives the reader does not consider such reiterations as not necessary and involuntary the work includes a general introductory part at some point considering it useful already with in depth studies as for the medical conclusions of the anatomopathologist Pierluigi Baima Bollone and a section divided into chapters specifically dealing with particular topics already covered in the first part for example the photographs of the shroud and a chronology

per Giorgio Sizia la sacra sindone è il simbolo della fede cristiana nel corso di questo saggio attraverso ricostruzioni storiche filologiche fisiche e chimiche l'autore spiega come il velo leggendario non sia solo l'oggetto di ampie ricerche per chi crede la sindone è una vera e propria pagina nella quale sono registrati la vicenda di Gesù Cristo le sue sofferenze e il suo sacrificio gli argomenti a favore di questa tesi sono contenuti negli esperimenti scientifici nei passi tratti dai vangeli e nelle testimonianze degli addetti ai lavori Giorgio Sizia attinge a un'ampia documentazione per liberare la reliquia da interpretazioni errate e imprecisioni di vario genere a questa analisi corrisponde allora una riflessione sulla religione sui rapporti fede ragione e suggestione pensiero critico credere all'autenticità della sindone richiede credere alla verità cristiana e viceversa nella terra di mezzo tra mito e indizi storici tra fascinazione biblica e verosimiglianza scientifica risiedono forse alcune delle risposte al più grande enigma della nostra storia sacra Giorgio Sizia nato a Cagliari nel 1946 è laureato in medicina e specializzato in igiene negli anni 90 si è occupato di formazione del personale sanitario dal 2010 si è occupato di sindonologia e ha effettuato numerose conferenze sul tema la passione e la risurrezione di Nostro Gesù Cristo secondo la sacra sindone e numerose altre sul tema introduzione alla bibbia

difficile trovare al mondo tre persone più diverse dei tre protagonisti di questo romanzo un ottantenne già professore di applicazioni tecniche e appassionato di tassonomia un cinquantenne informatico e appassionato di donne un sedicenne geniale e appassionato

di letteratura eppure già i loro rarissimi biblici nomi adamo abele enos sembrano indicare una predestinazione all'incontro che porterà a un progetto comune per la clonazione dei best sellers riuscirà dopo avere preso di mira i premi letterari ma anche la vecchiaia in tra il dolore e il nulla e i corsi di scrittura creativa ma anche la confusione dell'universo in corso di lettura creativa l'autore rivolge ora uno sguardo ironico alle operazioni editoriali di marketing ma anche alle vite in fondo parallele degli esseri più disparati

una disamina completa e puntuale che mette a confronto le modalità della flagellazione e della crocifissione romana gli usi funerari giudaici fino ad arrivare alle più recenti ricerche scientifiche attraverso gli apporti di due grandi sindonologi il dott. Carlo Goldoni, ematologo i cui studi si concentrano sugli aspetti medico-legali e il prof. Gino Zaninotto, storico latinista e grecista sull'analisi delle fonti nella seconda parte un raffronto fra quanto riscontrato nella sindone e ciò che è raccontato dai quattro vangeli per provare a rispondere alla domanda che tutti anche se in modi diversi si pongono: l'uomo della sindone è Gesù? tutti gli indizi raccolti propendono verso una risposta positiva e portano una riflessione sull'importanza di far conoscere la sindone come documento della passione di Cristo. Il testo è corredato da appendici e da immagini inedite della Via Crucis secondo la sindone.
