the current success rate for addiction treatment is less than 30 percent which means that 7 out of 10 recovering addicts are not being cured of the so called disease of addiction why doesn't treatment work the answer is simple addiction is not a disease in fact the mainstream mythology of once and addict always and addict falls apart upon close inspection therefore addictive behaviors must be evaluated within the context of not sickness but sin through the study of the bible so called addicts can learn how to achieve forgiveness of their sins and deliverance from their addictions by offering their hearts minds and bodies to jesus christ they can then be taught how to take advantage of the powerful indwelling presence of the holy spirit to wage war against their persistent addictive thoughts ultimately this study has been designed to help substance abusers to focus their minds on god instead of chemicals in order to subdue their stubborn cravings for the seductive forbidden fruit of intoxication

all that you do in life to protect yourself from all the deception in the world the fundamental message in this program is found in matthew 6 33 kjv but seek ye first the kingdom of god and his righteousness and all these things shall be added unto you god won t mislead you man most assuredly will whenever you let your guard down man has been misleading millions of alcoholics and addicts around the world for decades in and out of addiction recovery programs because of the absence of jesus christ in those programs 40 days in the wilderness puts jesus christ at the forefront of each day s devotional

the epidemic of drug addiction has ruined untold countless lives in the united states and throughout the entire world as events in the world seem to become progressively worse so does the problem of drug addiction i have personally fought the war on drugs having a career in narcotics law enforcement even though god has blessed me to have great success in my career as a narcotics officer i have come to understand that the only way to rid society of narcotics abuse is to stop the demand the old business adage of supply and demand runs especially true in the narcotics industry if people in society want illicit drugs of abuse someone somewhere is going to produce grow manufacture transport and sell them i believe that god has called me to minister to anyone that will listen about how to get our families and friends freed from the bondage of drug addiction that is destroying this generation i have been asked many times by many people about what they could do to help their family and friends that are under the influence of drug abuse at the time i didn t have many answers to give them i then began to ask god in prayer to help me understand the problem of addiction and what god s word said about it god answered my prayer and began to give me revelation on this topic i was inspired by god to

primarily focus on the source of drug addiction and how to defeat it this book was written as a way to learn and understand what god s holy word the bible says about addictions it was meant to be used as a handbook on how you can change lives of others in writing this book i want to advise and challenge all those who will read this prelude that this book is totally based on the word of god and faith in the word and that our heavenly father is true to keep his word and promises it is my hope and prayer that you do not just read this book and reference scriptures in it you need to sit down with your bible as you read through this book and do your own study and research about these scriptures it is only then will the word totally come alive and allow you to receive full revelation about this it is my opinion that no one should ever completely take someone s word for what the bible says you need to know what it says for yourself you see the bible can be very intimidating to read due to its sheer size and many books some of it may even be hard to understand this book is meant to be a guide on the spiritual root of addiction and how to combat it its purpose is to enhance a bible study so you can have guidance and enlightenment on this subject and then you can walk away with a true and real understanding this book is meant to guide you encourage you enlighten you and assist you in your understanding of the word on the topic of the roots of addiction and the principles involved in dealing with it as you are reading this there is someone in either your family or a friend that comes to mind that you are concerned about their addiction to illicit drugs i ask that you give this book ten minutes of your time and read through the first chapter about the source of addictions after that it is my prayer that the word of god will take root in your heart to grow and that you understand that you do not have to sit idly by and watch friends and loved ones destroyed by addiction but that you can learn how to break the spirit of addiction

40 days in the wilderness is an addiction recovery devotional and bible study program designed to be used by churches counselors church home groups existing addiction recovery programs and groups homeless shelters jail and prison ministries and chaplains as well as by individuals seeking god s direction through scripture in defeating satan s bondage of addictions to drugs and alcohol each day s devotional message and accompanying scripture readings can be carried

over into additional bible studies on that day s topics depending on how much time someone wants to allocate or devote to the program it is recommended that the program be finished in 40 days to better benefit from each previous day s message however it will be better to finish the devotionals rather than give up because you can t get it done in forty days if extending it to a 20 or 40 week program better fits your schedule there may be a bigger benefit in having a full week to reflect on the day s reading topic and scripture and practicing what you re learning could be a powerfully transforming experience as well 40 days in the wilderness offers you an opportunity to be mentored by someone who has been saved and sober for 32 years has facilitated hundreds of addiction recovery meetings in and out of many churches has written several books on the subject and maintains several websites on the subject of addiction recovery in the church however my experience will be futile if you don t take my suggestions to jesus in prayer for his confirmation i suggest that you be as the bereans did in acts 17 11 in all that you do in life to protect yourself from all the deception in the world the fundamental message in this program is found in matthew 6 33 kjv but seek ye first the kingdom of god and his righteousness and all these things shall be added unto you god won t mislead you man most assuredly will whenever you let your guard down man has been misleading millions of alcoholics and addicts around the world for decades in and out of addiction recovery programs because of the absence of jesus christ in those programs 40 days in the wilderness puts jesus christ at the forefront of each day s devotional

substance abusers addicts with a physical dependency and those who cannot stop some type of pleasurable activity can gain insights and practical help from the hopeful message from the bible regarding addictive thoughts and behavior

the roots of the modern disease theory of addiction can be traced back to the archaic medical philosophies of the eighteenth century this popular theory is based primarily on the assumption that so called addicts are physically unable to resist the call of addictive chemicals they are presumably stricken from birth with this unlucky condition and all but helpless in the fight

against the unhealthy symptoms of the so called disease the problem is that contemporary addiction research shows that substance abusers are not genetically or biologically different from anyone else in fact a growing group of physicians and researchers contend that addicts are simply guilty of making self destructive choices in response to the commonplace stresses of everyday life when addicts begin to take responsibility for their calculated chemical choices they ultimately come to view their abusive behaviors in terms of not sickness but sin they can then learn how to achieve forgiveness of their sins and deliverance from their addictions by offering their hearts minds and bodies to jesus christ this is a skillfully written and powerful book about addiction and recovery having seen the devastating effects of addiction first hand mr mason was able to use his own personal experiences to develop a one of a kind text that dispels the myths about addiction and beautifully outlines the connection between the spirit and recovery after 14 years of working in the field of chemical dependency i have never found a more complete and insightful view of addiction recovery and spirituality cindy tidwell ms lpc professional addiction counselor

the american 12 step addictions treatment system is a mess it's hideously expensive 10 billion a year and almost utterly ineffective despite treating tens of millions of americans it has done essentially nothing to lower the rate of alcohol and drug abuse in this country this book traces our current addictions treatment system from its beginnings to the present day and explains how and why it developed in the way that it did but a history of addiction and recovery in the united states goes beyond this and provides practical information on the effectiveness of a wide variety of treatment and self help approaches because of the ineffectiveness of the dominant treatment approaches and self help groups individuals looking for assistance in dealing with addictions problems would be well advised to explore alternative treatment and recovery options this book will provide the reader with invaluable help in that exploration
