this book explores the path of recovery james nelson writes as he lives with a very special blend of insight wisdom humor and humility sobriety sustainers and spirituality seekers will be encouraged and enlightened by his work

what is addiction and how do we know if we are addicted speaking sociologically we are addicted because we live in addictive societies that turn us into consumers and materialists speaking biologically we are addicted because that is how we are hardwired speaking spiritually we are addicted because we seek spiritual satisfaction through things other than god humans can be addicted to most any object ideology and belief but they cannot be addicted to the true god for reasons disclosed in this text as this book demonstrates addiction is a pattern of learned behavior that utilizes ancient mental pathways designed to promote survival and reproduction when neural connections intended to promote eating reproduction parenting and social relationships are diverted into addiction their blessings can become curses while heredity parenting

trauma and additional psychological and sociological factors play significant roles in compulsive behavior addiction is essentially a developmental disorder a way to manage an environment that feels threatening and overwhelming change getting unstuck is possible but it requires five ingredients acknowledgment resolution substitution human help and divine help because addictions represent complex interactions between biological psychological social and spiritual forces the solution must be holistic as well designed as a study guide for groups or individual use this book approaches the topic comprehensively examining the nature of addiction its cause symptoms consequences and means of recovery

a faith based manual for those who have friends and family members suffering from the disease of addiction readings can be used for recovery groups or for individual help also contains tips for starting your own recovery group

poor mental and emotional health are two of the great crises of our times and yet most pastors and ministry leaders are not adequately trained or equipped to understand and come alongside the hurting as a result our efforts to help those who are wrestling with mental or emotional health struggles are at best inadequate and at worst harmful combining the best of clinical research with a biblical worldview the mental health handbook for ministry is a practical and accessible resource to help pastors church leaders and others who are called on to offer counsel identify the symptoms of particular mental and emotional health challenges express love and support to those who are hurting recommend healthy coping strategies discern when to offer help and when to refer someone to a mental health professional with chapters dedicated to common manifestations of mental and emotional distress including depression anxiety trauma suicide self harm addiction

personality disorders grief and more this will quickly become the go to resource for ministry leaders who long to offer help to the hurting

the roots of the modern disease theory of addiction can be traced back to the archaic medical philosophies of the eighteenth century this popular theory is based primarily on the assumption that so called addicts are physically unable to resist the call of addictive chemicals they are presumably stricken from birth with this unlucky condition and all but helpless in the fight against the unhealthy symptoms of the so called disease the problem is that contemporary addiction research shows that substance abusers are not genetically or biologically different from anyone else in fact a growing group of physicians and researchers contend that addicts are simply guilty of making self destructive choices in response to the commonplace stresses of everyday life when addicts begin to take responsibility for their calculated chemical choices they ultimately come to view their abusive behaviors in terms of not sickness but sin they can then learn how to achieve forgiveness of their sins and deliverance from their addictions by offering their hearts minds and bodies to jesus christ this is a skillfully written and powerful book about addiction and recovery having seen the devastating effects of addiction first hand mr mason was able to use his own personal experiences to develop a one of a kind text that dispels the myths about addiction and beautifully outlines the connection between the spirit and recovery after 14 years of working in the field of chemical dependency i have never found a more complete and insightful view of addiction recovery and spirituality cindy tidwell ms lpc professional addiction counselor

book gives the reader the opportunity to address direct issues in his or her life centered around biblical principles

the impossible prize is a lantern in the darkness casting light on the theological underpinnings of addiction and recovery in this book the reader will confront the raw truth that the struggle against addiction is not merely a battle of willpower or a psychological chess match it is a spiritual warfare a clash between the forces of hopelessness and the redemptive grace of a higher power the impossible prize therefore invites readers into a profound dialogue with their own vulnerabilities urging them to relinquish the futile pursuit of self made solutions and instead turn their gaze toward the divine

in literacy experiences of formerly incarcerated women sentences and sponsors melanie n burdick uses narrative research to elucidate the literacy experiences of formerly incarcerated women and how literacy has affected their lives both while incarcerated and while transitioning back into society using deborah brandt's theory of literacy sponsorship 1998 burdick explores both the mass incarceration of women and their access to literacy as feminist and social justice issues while reading and writing in prison is often romanticized through caricatures of incarcerated people who become enlightened and reformed burdick targets these romanticized views and criticizes their controlling and harmful effects this book shines a light on the personal and political ramifications of literacy experiences in women's lives as they grow up in families and schools move through the prison system and transition back into society and higher education arguing that literacy is politically situated and that transitioning out of prison is a complex process marked by literate acts that are dependent upon constructive literacy sponsorship

what is the real reason we struggle with eating problems we try to use food to satisfy our souls as the hallidays explain we all crave intimacy

security and acceptance when these needs are not met we often turn to substitutes such as food and engage in what the authors call disordered eating the hallidays go beyond trendy short term weight control plans and urge readers to allow god to satisfy their deepest hungers anyone who has struggled with weight loss or an eating disorder will benefit from this honest and thorough look at getting beyond the guilt and the ups and downs of yo yo dieting this revised and expanded edition offers readers updated information throughout and includes more study questions
