renewing america's civic compact addresses the chief challenges and principal tensions in the operation of our civil society in order to consider possible paths forward the meritocracy multiculturalism issues of race technology and populist nationalism in american democracy today are some of the issues that have created more tensions to american public life chapters address the condition of civil conversation within the university and across american society this collection then engages debates over the continued relevance and durability of liberal ideas and institutions whether we have accessible means and resources to channel digital technology more fruitfully for the sake of human achievement and well being and how some have endeavored to revitalize the american civic vocation through both scholarly and practical education finally the volume closes with a call to restore civic friendship properly understood as the foundation for renewing america's civic compact

how can urban housing and the land underneath now account for half of all global wealth according to patrick condon the simple answer is that land has become an asset rather than a utility if the rich only indulged themselves with gold jewels and art we wouldn't have a global housing crisis but once global capital markets realized land was a good speculative investment runaway housing costs ensued in just one city vancouver land prices increased by 600 percent between 2008 and 2016 how much wealth have investors extracted from

urban land in this engaging readable and clearly reasoned treatise patrick condon explains how we have let land our most durable resource shift away from the common good and proposes bold strategies that cities in north america could use to shift it back

the untold story of american funeral and mourning traditions why do we embalm the deceased why are funerals so expensive is there a reason coffins are shaped the way they are when and why did we start viewing the deceased ceremonies for honoring the departed are crucial parts of our lives but few people know where our traditional practices come from and what they reveal about our history culture and beliefs about death in last rites author todd harra takes you on a fascinating exploration of american funeral practices examining where they came from what they mean and how they are still evolving our conventions around death burial and remembrance have undergone many great transitions sometimes due to technology respect for tradition shifting sensibilities or even to thwart grave robbers here you ll explore influences for american rituals from medieval europe the roman empire and even ancient egypt when mourning fell out of fashion and how george washington s passing brought it back abraham lincoln s landmark funeral and its widespread impact flowers liquor mourning gifts and caskets the reasons behind our grieving customs unknown soldiers how warfare influenced funeral and bereavement practices and vice versa how growing populations religion inventions and media have changed and continue to shape our traditions the future of our death rites mushroom suits green burial body donation flameless cremation home funerals and more the rich story of the american funeral is one of constant evolution whether you re planning a funeral service or are simply intrigued by the meaning behind american burial practices last rites is an informative and compelling exploration of the history and future of the ceremonies we use to say farewell to those who have departed this world

this book will challenge you to rethink some of your assumptions about democracy capitalism and globalization adam grant huge corporations are acting like nations global wealth is going to billionaires and ordinary people are suffering it s set to be a rocky decade but we can fix it as the market consolidates under fewer and larger companies it s increasingly in the interest of private companies to behave like nations and when the government is bogged down in bureaucratic negotiations and culture wars people begin to look to nimble powerful companies to solve society s problems and to be our moral standard bearers it shouldn t be like this new york times bestselling author alec ross weaves interviews with the world s most influential thinkers with fascinating stories of corporate activism and malfeasance government failure and renewal and innovative economic and political models being implemented around the world to propose a new social contract one that benefits workers and everyday citizens in the face of unprecedented global change

the thought book of the year the times a guardian book of the year game of thrones style intra elite conflict meets big data tis extraordinary the culmination of many years of highly original and innovative work bloomberg one of the most iconoclastic thinkers of our time offers a brilliant new theory of how society works what leads to political turbulence and social breakdown how do elites maintain their dominant position and why do ruling classes sometimes suddenly lose their grip on power for decades complexity scientist peter turchin has been studying world history like no one else assembling vast databases mined from 10 000 years of human activity and then developing new models he has transformed the way we learn from the past end times is the result a ground breaking account of how society works the lessons he argues are clear when the balance of power between the ruling class and the majority tips too far in favour of elites income inequality surges the rich get richer the poor further impoverished as more people try to join the elite frustration with the establishment brims over often with disastrous consequences elite overproduction led to state breakdown in imperial china in medieval france in the american civil war and it is happening now but while we are far along the path toward violent political rupture turchin s models also light the way to a brighter future drawing insight from those occasions in history where the balance was restored end times also points towards a different future an escape from the patterns of the past best books of summer 2023 the guardian the times sunday times

mental health among african americans historically has been kept secret and often has been subject to intense denial from both the individuals with mental health concerns and their communities thus african americans have remained shielded from treatments that are currently available which may allow them to become mentally healthier and find a sense of psychological homeostasis recognizing mental illness treatment as a strength and not a weakness is key to mitigating existing issues of mental health in the african american community today changing the stigma of mental health among african americans moving from denial to acceptance provides the history of mental health in the african american community and how denial has hindered and hampered treatment within this community covering topics such as bipolar disorder dementia and disruptive behavior this book is ideal for educators researchers practitioners the african american spiritual community and all individuals concerned about psychological care for african americans

learn the little known history of the turning point battle of kings mountain one of the most decisive american victories in the revolutionary war the battle of kings mountain was the most remarkable unexpected and unorthodox patriot victory of supreme importance that was fought during the course of the american revolution the victors of kings mountain were south carolina virginia and north carolina backcountry volunteers including men from today s tennessee of a ghost army that suddenly materialized practically out of thin air from both sides of the appalachian mountains on its own and without authorization from the continental congress or continental officers to defend their farms and families and the land they loved on october 7 1780 this ad hoc force of backcountry volunteers from remote settlements across the frontier suddenly descended upon a well trained and well equipped force of more than one thousand royal provincial and loyalist troops who defiantly made their last stand on the summit of kings mountain after having been caught by surprise during one of the hardest fought and bloodiest battles of the american revolution this one sided the entire enemy force the vital left wing of lord charles cornwallis army was killed wounded and captured patriot victory at kings mountain was a major turning point of not only the war in the south but also of the american revolution ironically no battle of the american revolution more forcefully demonstrated the lethal effectiveness of southern militia and the future surreal horrors of america s first civil war this decisive battle in northwest south carolina was fought between fellow americans including not only neighbors but also relatives even fathers and sons nearly three quarters of a century before the battles of first manassas antietam and gettysburg when young americans once again slaughtered each other for what they believed was right when it appeared at the time that the war in south carolina had been lost to the british the patriots of kings mountain rose splendidly to the challenge to win an amazing success that best personified the essence and spirit of the revolution which the victors kept alive during one of the darkest periods of the american revolution most importantly the dramatic patriot victory at kings mountain on october 7 1781 helped to set the stage and pave the way for the surrender of cornwallis army at yorktown only a year later which was an event that all but ended the war and ensured the independence of a new nation
