different international relations theorists have studied political change but all fall short of sufficiently integrating human reactions feelings and responses to change in their theories this book adds a social psychological component to the analysis of why nations politically organized groups or states enter into armed conflict the disequilibrium polarization and crisis model is introduced which draws from prospect theory realism liberalism and constructivism the theory considers how humans react and respond to change in their social political and economic environment three case studies the u s civil war the yugoslav wars 1991 1995 and the first world war are applied to illustrate the model s six process stages status quo change creating shifts that lead to disequilibrium realization of loss hanging on to the old status quo emergence of a rigid system and risky decisions leading to violence and war

the question of what the nature of history is is a key issue for all students of history it is recognized by many that the past and history are different phenomena and that the way the past is actively historicized can be highly problematic and contested

j d salinger s the catcher in the rye 1951 is a twentieth century classic despite being one of the most frequently banned books in america generations of readers have identified with the narrator holden caulfield an angry young man who articulates the confusion cynicism and vulnerability of adolescence with humour and sincerity this guide to salinger s provocative novel offers an accessible introduction to the text and contexts of the catcher in the rye a critical history surveying the many interpretations of the text from publication to the present a selection of new critical essays on the the catcher in the rye by sally robinson renee r curry denis jonnes livia hekanaho

and clive baldwin providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading part of the routledge guides to literature series this volume is essential reading for all those beginning detailed study of the catcher in the rye and seeking not only a guide to the novel but a way through the wealth of contextual and critical material that surrounds salinger s text
