seminar paper from the year 2014 in the subject politics region usa grade 2 3 free university of berlin john f kennedy institut course party history in the us language english abstract the democratic primary in 2008 is one of the most fascinating elections of american politics in modern times which will be analyzed for generations to come the first serious female presidential candidate from one major party and the first serious afro american candidate for the oval office exited not only the democratic party but the whole global public as president obama is now in 2014 in the midst of his second term and speculation as well as expectation are rising on a second run of his democratic rival from foe and friend of former first lady and secretary of state hillary clinton so it is worth to examine the democratic race of the giants

that put light in the biggest remaining glass ceiling s of society race and gender this paper will tell and analyze the democratic campaign from the clinton perspective in 08 in the context of an anticipated second run in 2016

in trumpism bigotry and the threat to american democracy larry n gerston examines the near lethal combination of american bigotry and the ability of donald trump to take advantage of this scourge to satisfy his own political objective the result is an individual who won election to the american presidency by adroitly pitting members of american society against one another while presenting himself as the only person in the position to save america from itself having succeeded to the nation s most important political office trump proceeded to use the position for his own benefit irrespective of laws norms and most importantly the constitution so powerful was trump that he and his minions came close to overturning the 2020 presidential election with the january 6 2021 insurrection against the nation s capitol while trump failed in his attempt to remain in office the threat to the well being of the united states remains real

nominating conventions were the highlight of presidential elections in the gilded age an era when there were no primaries no debates and nominees did little active campaigning unlike modern conventions the outcomes were not so seemingly predetermined historians consider the late 19th century an era of political corruption when party bosses controlled the conventions and chose the nominees yet the candidates nominated by both republicans and democrats during this period won despite the opposition of the bosses and were opposed by them once in office this book analyzes the pageantry drama speeches strategies platforms deal making and often surprising outcomes of the presidential nominating conventions of the gilded age debunking many wildly held beliefs about politics in a much maligned era

how did millions of middle class germans come to support extreme nationalist and anti democratic groups during the weimar republic this troubling and pointedly argued book addresses this question through a targeted case study of hof a small bavarian town in the five years after the first world war during this tumultuous period a series of devastating crises and violent confrontations discredited the representatives of democratic liberalism and handed the initiative to a reinvigorated radical right crucially these crises were understood by hof s inhabitants as part of a broader european civil war unleashed by the russian revolution and treaty of versailles this detailed and disturbing study will be read with profit by students and scholars of modern history who seek new insights into the rise of the nazis and into the processes of popular radicalisation that did so much to bring about the destruction of the weimar republic
