on christendom s far shore describes and explains american society by first illuminating its
 foundational stones the traditional western judeo christian faith in god and the west s once
 common understanding of the natural order and the nature and destiny of man it explores the
 biblical concepts of faith paradox tragedy and grace time gender relations love work play
 individual and communal responsibilities freedom and the kingdom of heaven the book
 illustrates how these ideas and values underlie more specifically american values and
 american social and governmental patterns and structures such as the pursuit of knowledge
 and wisdom the creation of families and larger social groups and communities the mentoring
 of future generations and people s understanding of self governance and how to relate to
 other nations on christendom s far shore depicts the present as a time of twilight with the
 united states caught up in a cataclysmic clash between a traditional understanding of man
 and of a god centered universe and a post modern existential man centered multicultural
 worldview that rejects the old values and structures and determinedly seeks a vast
 restructuring of the nation s social and political order and character

american presidents polk to hayes what they did what they said what was said about them is
 the second book in a planned five volume series covering all the presidents these 43 men so
 far have succeeded in some regards and failed in others as they strove to do the best they
 could in what is surely one of the most difficult jobs in the world only they can truly appreciate
 what it takes to be the president others can only speculate people feel strongly about u s
 presidents some they admire others they hate it is fair game to criticize a president s actions
 and policies however questioning their commitment to american ideals seems like hitting
 below the belt there are no willing villains most people can find justification for their actions

beliefs and prejudices each president strove to do the best he could for the nation and its people this goal of the book is not to praise presidents nor is it to condemn them the subtitle of each of the five books in the series what they did what they said what was said about them perfectly describes the approach adopted to tell their stories in a unique way meant to entertain as well as inform readers are asked to make their own judgments of the presidencies based on more information than the semi myths they may recall history courses or what is preached in the many longstanding and despicable negative campaigning mudslinging and character assassination reports they hear from partisans one can find much to admire about each of the presidents and unfortunately much to deplore soldiers are told that in giving salutes to officers is not honoring the individuals but rather their rank if there are presidents readers just feel they cannot salute hopefully they can salute the presidency

jacobs recounts the hostility of campus liberal intellectuals who had increasingly resented eisenhower s presidency and were offended by the new york times s endorsement of eisenhower over adlai e stevenson for the 1952 presidential campaign jacobs views eisenhower s years as university president as playing a significant role in preparing him for his white house years jacobs insights on eisenhower s presidency at columbia will be of interest to eisenhower s biographers college and university administrators american studies students and the general public curious about eisenhower s public service as a civilian before he became u s president book jacket
