a rule by rule commentary on the genesis interpretation and application of the international centre for dispute resolution icdr rules the book is designed to give arbitrators practitioners and academics a first port of call when considering icdr arbitration and provide the first stand alone comprehensive commentary on these important rules

assembled from dispute resolution journal the flagship publication of the american arbitration association the chapters in the handbook have all where necessary been revised and updated prior to publication the book is succinct comprehensive and a practical introduction to the use of arbitration and adr written by leading practitioners and scholars the handbook has discussions of such topics as confidentiality in arbitration tips for beginning practitioners cultural issues in arbitration and the contrast of civil and common law approaches international forum selection is discussed including whether national or regional centers are viable options and how to save time and money in cross border disputes a range of other issues are discussed such as interim and emergency relief the use of a preliminary hearing letter time management techniques and discovery and evidence ethical concerns are also discussed including a comparison of arbitrator standards of conduct in international trade and investment disputes dealing with arbitrator conflicts and arbitrator disclosure standards finally the work addresses the topics of damages and the review and enforcement of international arbitration awards including interpretations under the new york convention the chapters were selected from an extensive body of writings and in the main represent world class assessments of arbitration and adr practice all the major facets of the field are addressed and provide the reader with comprehensive and accurate information lucid evaluations and an indication of future developments they not only acquaint but also ground the reader in the field

the publication contains the texts of presentations made by the conference held at wipo in january 1995 the conference examined approaches and solutions adopted in the rules of various arbitration institutions and the issues and problems arising in arbitration proceedings it also considered the wipo expedited arbitration rules and the wipo mediation rules

this is a unique work for those who are involved in international arbitration utilizing a chart of parallel provisions it compares the leading sets of asian international arbitration rules it was first created by simpson as an internal reference tool the comparison of asian international arbitration rules will be of great value in three distinct areas of international arbitration practice first in assisting clients in selecting arbitration rules and drafting arbitration provisions for their international commercial contracts for example where a client seeks to include a provision governing a specific procedural issue in an arbitration clause the chart provides easy reference to the different provisions used in the leading sets of international arbitration rules second the chart will assist in developing arguments on procedural issues in connection with representation of clients in international arbitration proceedings finally comparison will facilitate evaluation by scholars practitioners and the institutions themselves of the desirability and effectiveness of particular provisions in light of comparable ones compiling this chart was a challenging process primarily because the various sets of international arbitration rules deal with specific procedural issues very differently additionally one of the most difficult tasks in compiling this chart was deciding which sets of asian international arbitration rules to include in the chart in light of space and formatting limitations ultimately various factors were considered in deciding which sets of rules to include in the chart the china international economic and trade arbitration commission cietae hong kong international arbitration centre hkiac japan commercial arbitration association jcaa korean commercial arbitration board kcab and singapore international arbitration centre siac rules were included as leading sets of institutional asian international arbitration rules other asian institutional arbitration rules are not included simply for reasons of manageability and space the arbitration rules of the united nations commission on international trade uncitral were included as the

preeminent set of ad hoc international arbitration rules which are frequently used by parties in asia as well as by asian arbitration organizations such as the hkiac as the basis for their institutional arbitration rules the structure of this chart follows the structure of the second edition of our chart on international arbitration rules in part to facilitate the use of the two charts together like the second edition of the chart on international arbitration rules this chart contains an index of topics with page references to assist in locating subjects in the rules and the full texts of the sets of arbitration rules are included in an appendix for ease of reference

international arbitration has become the preferred dispute resolution mechanism in cross border disputes in the course of time ad hoc arbitration where the parties have to create their own rules and procedures has increasingly been replaced by institutional arbitration where a specialised institution with a permanent organisation provides assistance and a set of practice proven rules the services and rules provided by the various institutions of arbitration differ in order to inform the potential parties and their counsels about the differences and to make the choice between the different arbitration regimes easier and to offer guidance through the various provisions this book provides a comprehensive article by article commentary of rules of arbitration of 14 important arbitration institutions aaa american arbitration association ciedac china international economic and trade arbitration diac dubai international arbitration centre dis german institution of arbitration icc international court of arbitration icsid international centre for settlement of investment disputes klrca kuala lumpur regional centre for arbitration lcia the london court of international arbitration mkas moscow international commercial arbitration court scc stockholm chamber of commerce arbitration siac singapore international arbitration centre swiss rules uncitral rules vienna rules
