before there could be a revolution there was a rebellion before patriots there were insurgents challenging and displacing decades of received wisdom t h breen s strikingly original book explains how ordinary americans most of them members of farm families living in small communities were drawn into a successful insurgency against imperial authority this is the compelling story of our national political origins that most

americans do not know it is a story of rumor charity vengeance and restraint american insurgents american patriots reminds us that revolutions are violent events they provoke passion and rage a willingness to use violence to achieve political ends a deep sense of betrayal and a strong religious conviction that god expects an oppressed people to defend their rights the american revolution was no exception a few celebrated figures in the continental congress do not make for a revolution it requires tens of thousands of ordinary men and women willing to sacrifice kill and be killed breen not only gives the history of these ordinary americans but drawing upon a wealth of rarely seen documents restores their primacy to american independence mobilizing two years before the declaration of independence american insurgents in all thirteen colonies concluded that resistance to british oppression required organized violence against the state they channeled popular rage through elected committees of safety and observation which before 1776 were the heart of american resistance american insurgents american patriots is the stunning account of their insurgency without which there would have been no independent republic as we know it

well documented entertaining this excellent popular history should attract a wide audience with its fresh perspective publishers weekly drawing on hundreds of specialist sources contemporary and archival patriot battles is the comprehensive one volume study of the military aspects of the war of independence the first part of the book offers a richly detailed examination of the nuts and bolts of eighteenth century combat for example who fought and what motivated them whether patriot or redcoat hessian or frenchman how were they enlisted and trained how were they clothed and fed what weapons did they use and how effective were they when soldiers became casualties or fell ill how did medical services deal with them what roles did loyalists women blacks and indians play the second part of the book gives a closer look at the war s greatest battles with maps provided for each which men were involved and how many what was the state of their morale and equipment what parts did terrain and weather play what were the qualities of the respective commanders and what tactics did they employ how many casualties were inflicted and no less important how did the soldiers fight throughout many cherished myths are challenged reputations are reassessed and long held assumptions are tested for all readers patriot battles is one of the most satisfying and illuminating works to be added to the literature on the war of independence in many years an interesting and easily digestible study appealing to both military history buffs and general readers booklist an iconoclastic provocative study of the revolutionary war that invalidates a few chestnuts kirkus reviews
