how providential history the conviction that god is an active agent in human history has shaped the american historical imagination in 1847 protestant missionary marcus whitman was killed after a disastrous eleven year effort to evangelize the indigenous peoples of the pacific northwest by 1897 whitman was a national hero celebrated in textbooks monuments and historical scholarship as the savior of oregon but his fame was based on a tall tale one that was about to be exposed sarah koenig traces the rise and fall of protestant missionary marcus whitman s legend revealing two patterns in the development of american history on the one hand is providential history marked by the conviction that god is an active agent in human history and that historical work can reveal patterns of divine will on the other hand is objective history which arose from the efforts of catholics and other racial and religious outsiders to resist providentialists pejorative descriptions of non protestants and nonwhites koenig examines how these competing visions continue to shape understandings of the american past and the nature of historical truth

with the assemblies of god now over a century old this book takes a fresh look at critical issues in the ag s origins while not a comprehensive retelling this book is a series of essays that explore different historiographical issues that will clarify or correct historical narratives with new research topics include re examining the early relationship with the church of god in christ assessing the ag s evangelical identity and attitudes toward theology and education some three decades since the last ag history this volume will shed new light on these important theological and cultural issues to better understand its roots perhaps these conversations will help the ag better understand its history as the fellowship approaches the problems it faces today

in america s providential history we examine the history of america from a christian perspective since god is the author of history and he is carrying out his plan in the earth through history any view of the history of america or any country that ignores god is not true history this is a providential view of history and was held by the vast majority of those people who founded this nation while we do not look at all the events in america s birth and growth we do highlight the providence and purposes of god and the faith of our founders understanding this will provide a proper framework in which other historical information can be properly placed introduction

a christian perspective on the major epochs issues and events in the history of western civilization in this groundbreaking work prominent historian ronald a wells integrates christian faith with a historical view of western civilization by clearly outlining the cultures of the ancient greeks and hebrews the middle ages the renaissance and the modern world wells illuminates our present situation and explores the major debates among historians today the author invites the reader to apply the study of history to what he or she already knows that the kingdom of god and the kingdom of the world are not the same while we dwell in both for a time we know which one is coming and which one we should seek first this comprehensive

study one of a series cosponsored by the council for christian colleges universities addresses questions faced by christian students as they explore the history of western civilization
