apostle sharon loving ruff shares an amazing journey in her quest for a greater anointing from the lord for spiritual warfare after years of being used in the deliverance ministry she encountered individuals who didn t receive the fullness of relief they desired being one who had suffered torments from demonic attacks from childhood her heart cried out for their plight one day she decided to experiment with a warfare strategy recorded in ezekiel 4 in the bible the results she sought did not manifest so she lost interest in that approach years later the holy spirit whispered enemies are all around you shortly afterwards she received a visit from an angel of the lord in a voluminous voice he said declare war against the enemies of the cross attacking you and the works of your hands little did she know that the manner in which she followed those instructions wasn t sufficient to protect the works of her hands or her from the spiritual enemies that the holy spirit had told her were surrounding her this truth was revealed about four months later

when the angel of the lord made his second visit this time his visitation brought a message that was a strong rebuke her book chronicles her experiences manifested changes in her life and members of her church and ends with an amazing breakthrough she invites others to seek the lord for permission to use his declaration of warfare prayer delivered by the angel of the lord on his third visit

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord s teaching and may be called a guide book for the christian on the road to heaven preface
