presents classic Chinese tales of love and morality, marriage and justice, and the strange and supernatural.

Sources show Qu Yuan (340-278 BCE) was the first person in China to become famous for his poetry, so famous in fact that the Chinese celebrate his life with a national holiday called Poet's Day or the Dragon Boat Festival. His work, which forms the core of the *Songs of Chu*, the second oldest anthology of Chinese poetry, derives its imagery from shamanistic ritual; its shamanic hymns are among the most beautiful and mysterious liturgical works in the world. The religious milieu responsible for their imagery supplies the backdrop for his most famous work, *Li Sao*, which translates shamanic longing for a spirit lover into the yearning for an ideal king that is central to the ancient philosophies of China. Qu Yuan was as important to the development of Chinese literature as Homer was to the development of Western
