superb the best one volume economic history of the united states in a long time and perhaps ever newsweek in this illuminating history john steele gordon tells the extraordinary story of the world s first economic superpower he shows how the american economy

became not only the world's largest but also its most dynamic and innovative combining its english political inheritance with its diverse ambitious population the nation was able to develop more wealth for more and more people as it grew far from a guaranteed success america's economy suffered near constant adversity it survived a profound recession after the revolution an unwise decision by andrew jackson that left the country without a central bank for nearly eighty years and the disastrous great depression of the 1930s yet having weathered those trials the economy became vital enough to americanize the world in recent decades virtually every major development in technology in the twentieth century originated in the united states and as the products of those technologies traveled around the globe the result was a subtle peaceful and pervasive spread of american culture and perspective

in the great game acclaimed business historian john steele gordon chronicles the rise of wall street from its humble beginnings as an american trading post to its domination of the world economy bringing to life the remarkable cast of bankers and brokers visionaries and crooks who made it happen from alexander hamilton to michael milken the history of wall street is a history of risk courage avarice patriotism power genius and occasionally remarkable stupidity in gordon wall street has finally found a biographer worthy of its extraordinary story

john steele gordon provides a narrative history covering 350 years of wall street and how it evolved into the world's centre of financial power

from alexander hamilton's solution in the late eighteenth century through war bonds the location of the nation's capital why the stock exchange quotes fractional prices in eighths and keynesian economics to such people as stephen girard jay cooke and benjamin strong

on january 8th 1815 5300 british troops attacked 4500 entrenched and prepared americans outside new orleans in a battle lasting half an hour the british suffered casualties totalling 2036 american casualties were 21 it remains to this day the worst defeat in the whole long history of the british army but the battle affected the outcome of the war not a bit for the war was already over and had been for two weeks a treaty of peace had been signed in ghent on 24th december to take immediate effect everywhere upon receipt of the news

the dramatic story of greed money power and the moguls and dynasties that have shaped business from merchant ships to microchips industry has been defined by the powerful business leaders who have caused seismic shifts in the growth of commerce the companion book to the acclaimed cnbc documentary money and power takes readers on a gripping journey following the movement of power from east to west from the feudal estates of medieval europe to the halls of modern finance from the teeming streets of ancient venice to the serene campuses of silicon valley to tell the story of how business shaped the modern world and how the goals of a few ambitious people paved the way to the wealth and prosperity shared by so much of the world s population today a dramatic narrative focusing on the groundbreakers throughout history from st godric the twelfth century monk reviled for his love of money to bill gates the contemporary embodiment of money and power traces the roots of banking industry commerce and power fever pitch moments in the book center around pivotal figures such as cosimo de medici philip ii the rothschilds j p morgan the rockefellers henry ford and others the authors also extract important lessons about the strategies and tactics used to build these business empires

often overlooked because of their high degree of assimilation people of german descent are actually the largest single ethnic group in the united states german culture is far more rooted in america than commonly thought for example hot dogs hamburgers and beer wouldn t be classic american staples without german immigrants in addition to enormous contributions to mainstream beer culture and food culture they have also added to america s agriculture religious values and economy this history highlights german contributions to america examining their roles from the earliest colonies through the settlement of the old northwest and past the interwar period while most german immigrants belonged to the main lutheran and reformed churches a diverse cast of immigrant groups is encountered including moravians huguenots and rhinelanders through them discover the long standing history of the german descendants and their impact in the united states beginning more than 200 years ago

the colorful story behind one of america s greatest monuments and of the ancient obelisks of egypt now scattered around the world conceived soon after the american revolution ended the great monument to george washington was not finally completed until almost a century later the great obelisk was finished in 1884 and remains the tallest stone structure in the world at 555 feet the story behind its construction is an intriguing piece of american history which acclaimed historian john steele gordon relates with verve connecting it to the colorful saga of the ancient obelisks of egypt nobody knows how many obelisks were crafted in ancient egypt or even exactly how

they were created and erected since they are made out of hard granite and few known tools of the time were strong enough to work granite generally placed in pairs at the entrances to temples they have in modern times been ingeniously transported around the world to istanbul paris london new york and many other locations their stories illuminate that of the washington monument and offer a new appreciation for perhaps the most iconic memorial in the country

a sharp analysis of the similarities differences and impact of the presidencies of franklin roosevelt and ronald reagan two iconic figures representing polar opposites of twentieth century american politics

the first book to probe the conflicted attitudes that shaped and constrained noted painter george catlin famous for his 19th century paintings of vanishing native american culture forces readers to rethink their understanding of the artist despite his advocacy for native peoples

knott observes that thomas jefferson and his followers and later andrew jackson and his adherents tended to view hamilton and his principles as un american while his policies generated mistrust in the south and the west where he is still seen as the founding plutocrat hamilton was revered in new england and parts of the mid atlantic states hamilton s image as a champion of american nationalism caused his reputation to soar during the civil war at least in the north however in the wake of gilded age excesses progressive and populist political leaders branded hamilton as the patron saint of wall street and his reputation began to disintegrate book jacket

profiles of significant contributors to business and industry past and present written especially for high school students

law and justice an introduction to the american legal system sixth edition offers a thorough examination of the system of justice used in the united states civil and criminal juvenile and therapeutic this new edition continues its critical review of the legal system and examines issues such as the conflict between the legal system s need for predictability and the desire for flexibility the pros and cons of therapeutic jurisprudence and restorative justice the issues involved with medical malpractice and more provides a comprehensive look at the justice system from various perspectives discusses many aspects of law and judicial process such as the role of natural law statutory law legal reasoning case law legal education the legal profession the court systems the appellate court process the

constitution judges prosecutors criminal defense attorneys etc ideal for anyone interested in the american legal system
