women in the portuguese colonial empire the theatre of shadows compiles an extensive collection of essays on the status of women throughout the vast portuguese colonial space from brazil to the far east crossing europe africa and india between the 16th and the 20th century absent or mystified silenced or victimized women in the history of portugal and its colonial venture are the living example of the part historiographical discourse ideology and popular memory have played in the construction of

identities their practices and representations the production and critical consumption of history have long revealed countless gaps and silences within its own discourse this book questions the reason for such gaps and silences and wonders about the real role of all those who do not or have never had access to power and to the perpetuating word those whose voices have been systematically erased from sources and documents because of past or present attending interests women in the portuguese colonial empire the theatre of shadows congregates a wide assortment of disciplines so as to provide multiple independent viewpoints sources and methodologies by bringing authors from around the world together this work ensures that the various cultures and memories that are part of the global saga as well as the various versions of the history of the portuguese colonial empire may be heard

opera in the tropics is an engaging exploration of theater with music in brazil from early colonial times to the first decades of the nineteenth century

around the year 1800 independent native groups still effectively controlled about half the territory of the americas how did they maintain their political autonomy and territorial sovereignty hundreds of years after the arrival of europeans in a study that spans the eighteenth to twentieth centuries and ranges across the vast interior of south america heather f roller examines this history of power and persistence from the vantage point of autonomous native peoples in brazil the central argument of the book is that indigenous groups took the initiative in their contacts with brazilian society rather than fleeing or evading contact native peoples actively sought to appropriate what was useful and potent from outsiders incorporating new knowledge products and even people on their own terms and for their own purposes at the same time autonomous native groups aimed to control contact with dangerous outsiders so as to protect their communities from threats that came in the form of sicknesses vices forced labor and land invasions their tactical decisions shaped and limited colonizing enterprises in brazil while revealing native peoples capacity for cultural persistence through transformation these contact strategies are preserved in the collective memories of indigenous groups today informing struggles for survival and self determination in the present
