desde hace dos o tres décadas la historia cultural ocupa un lugar preferente en la escena historiográfica aunque con desfases cronológicos y distintas modalidades dependiendo de las circunstancias nacionales y en este sentido se impone una aproximación comparativa el presente volumen pretende inscribirse en esta perspectiva preguntándose por la realidad de un giro cultural en la historiografía mundial los numerosos colaboradores han aceptado responder a un plan de trabajo en el que partiendo de la situación historiográfica de cada país se analicen las modalidades de surgimiento y de estructuración de la historia cultural la meta buscada no es normativa y contempla un planteamiento que combina el análisis de las obras las singularidades de las coyunturas historiográficas y la organización de los mercados universitarios

law and history in cervantes don quixote is a deep consideration of the intellectual environment that gave rise to cervantes seminal work susan byrne demonstrates how cervantes synthesized the debates surrounding the two most authoritative discourses of his era those of law and history into a new aesthetic product the modern novel byrne uncovers the empirical underpinnings of don quixote through a close philological study of cervantes sly questioning of and commentary on these fields as she skilfully

demonstrates while sixteenth century historiographers and jurists across southern europe sought the philosophical nexus of their fields cervantes created one through the adventures of a protagonist whose history is all about justice as such law and history in cervantes don quixote illustrates how cervantes art highlighted the inconsistencies of juridical historical texts and practice as well as anticipated the ultimate resolution of their paradoxes
