about the book assisting clinicians in the differential diagnosis of the wide range of disorders responsible for fever of unknown origin fuo this source stands as the only recent and comprehensive differential diagnosis of these conditions this guide providing a clear overview of diagnostic approaches and offers expert recommendations t

this work written by a practising medical doctor looks at the phenomenon known as the irritable heart of soldiers this condition characterised by chest pains palpitations breathlessness fatigue syncope and exercise intolerance first became an issue in the american civil war where it incapacitated thousands of troops in this study the author brings to bear his expertise as a historian professor of medicine and a former soldier to analyse the condition and to trace the changing medical and social attitudes to it by viewing the condition through the dual lenses of history and modern medical knowledge this work provides a unique perspective on one of the pioneering areas of anglo american cardiology

excerpt from lectures on the origin and growth of religion as illustrated by the religion of the ancient babylonians a word of apology is needed for the numerous repetitions in the following chapters which are due to the fact that the chapters were written and delivered in the form of lectures i cannot guarantee the exactness of every word in the trans lations of the cuneiform texts given in them the meaning of individual words may at times be more precisely defined by the discovery of fuller materials even where it has been supposed that their signification has been fixed with certainty the same fate has befallen the interpretation of the hebrew scriptures and is still more likely to befall a progressive study like assyrian about the publisher forgotten books

publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
