an innovative critical history of disney feature animation that uproots common
misconceptions and brings fresh scholarly definition to a busy field

from screen to theme a guide to disney animated film references found throughout the
walt disney world r resort is your guide to finding references to some of your favorite
disney animated films also within the book you will find recaps of some of your favorite
disney animated films fun facts and helpful hints on where you can meet some of your
favorite disney characters brent dodge has been a self proclaimed disney nerd his entire
life he has been visiting walt disney world since he was one and after spending more
than 600 days in the parks and reading up on everything disney he has become known
as a disney expert by family and friends he continues to visit the parks multiple times a
year and currently resides in delafield wisconsin

this volume presents an evaluation of the quality and financial successes of the disney
company s ventures it also provides an overview of and behind the scenes information
about 30 disney animated films from snow white through the hunchback of notre dame
the author relates each film to its original tale gives the disney version and tells what
and why cuts were made the exposed secrets consist of such things as plot holes bloopers

hidden images and strange reactions anecdotes about the growth of the disney industry and the development of the theme park rides are included one of the most enticing sidebars offers over 50 names that were originally considered for the seven dwarfs

a well designed well written animated film has warmth humor and charm since steamboat mickey animators have been creating characters and films that are charming warm and humorous allowing people to connect with the animated medium animators fans love the characters for a lifetime this is the legacy of the countless animators and artists who created the classic characters and fun stories and the legacy of disney legend floyd norman written with wit and verve animated life is a guided tour through an entire lifetime of techniques practical hands on advice and insight into an entire industry a vital tutorial in animation s past present and future for students who are now poised to be part of another new generation in the art form apply artistic magic to your own projects and garner valuable insight and inspiration from a true disney legend with valuable advice critical comment and inspiration for every student of the arts animated life is a classic in the making with completely relevant techniques and tools for the contemporary animation or fine arts professional

david whitley s compelling study complicates our understanding of the classic disney canon by focusing on the way images of the natural world are mediated within popular art for children he examines a range of disney s feature animations from snow white to finding nemo to show that even as the films communicate the central ideologies of their times they also express the ambiguities and tensions that underlie these dominant values

both a fascinating account of walt disney s own significant artistic creations from the iconic mickey mouse to the groundbreaking snow white in 1937 and an insightful history of the hugely successful entertainment behemoth he created from dumbo to pixar s toy story as well as the hugely popular theme parks but disney s dark side is also explored his disputed parentage industrial disputes his work for the fbi and his anti communist and allegedly racist and antisemitic views the company disney built is today stronger than ever encompassing not only the ongoing legacy of disney animation but also acting as the guardian of other well loved creative endeavours such as pixar the muppets marvel comics and now star wars sections include before mickey the road to the mouse house covering from 1901 to 1945 the creation of mickey mouse the creation of the world s first full length animated feature film the golden age of animation and disney s help for the american war effort despite labour disputes disney studios the disney genius difficult times theme parks and television live action movies including mary poppins animation s second coming from the lady and the tramp to the sword in the stone and walt disney s death after walt the disney legacy family attempts to keep the studio afloat decline and the loss of lustre in the 1970s and 1980s disney resurgent a triumphant rebirth under new management with who framed roger rabbit the lion king and other blockbuster hits from eisner to iger the corporate battle for the soul of disney disney goes digital from pixar to star wars via marvel comics and the muppets disney buy up other studios themselves often enough inspired by the original

these scholarly essays examine disney s cultural impact from various perspectives including film studies history musicology gender and more the academic field of disney studies has evolved greatly over the years as the twelve essays collected in this volume demonstrate with a diversity of perspectives and concerns the contributors examine the cultural significance and impact of the disney company s various outputs such as animated shorts and films theme park attractions television shows books music and merchandising by looking at disney from some of its many angles including the history and the persona of its founder a selection of its successful and not so successful films its approaches to animation its branding and fandom and its reception and reinterpreted

within popular culture discussing disney offers a more holistic understanding of a company that has been and continues to be one of the most important forces in contemporary culture

from mickey mouse to beauty and the beast

walt and the history of disney animation is about the man and the movies behind the media giant learn about the early beginnings as walt and his brother roy struggled to build an animation empire in early hollywood the book also examines the growth of the company into one of the world s largest media corporations detailed histories and stories behind disney s animated features from snow white to the new winnie the pooh adventures

in taschen s first volume of one of the most expansive illustrated publications on disney animation 1 500 images take us to the beating heart of the studio s golden age of animation derived from the xxl book this new edition again includes behind the scenes photos story sketches and cel setups of famous film scenes it spans each of the

this fresh retelling of the classic disney film aladdin is illustrated with vintage paintings sketches and concept art from the original disney studio artists illustrated with a variety of paintings sketches and concept art from the original disney studio artists this fresh retelling of aladdin follows the story of the classic animated film see how disney s artists interpreted the story through different styles and mediums and follow aladdin on his adventures in agrabah

one of the most expansive illustrated publications on disney animation finally available in a compact edition the landmark volume includes behind the scenes photos story sketches and cel setups of famous film scenes it covers each of the major animated features made during walt s lifetime as well as lesser known short films and episodic musical films

pink castles talking sofas and objects coming to life what may sound like the fantasies of hollywood dream maker walt disney were in fact the figments of the colorful salons of rococo paris exploring the novel use of french motifs in disney films and theme parks this publication features forty works of eighteenth century european design from tapestries and furniture to boulle clocks and sèvres porcelain alongside 150 disney film stills drawings and other works on paper the text connects these art forms through a shared dedication to craftsmanship and highlights references to european art in disney films including nods to gothic revival architecture in cinderella 1950 bejeweled medieval manuscripts in sleeping beauty 1959 and rococo inspired furnishings and objects brought to life in beauty and the beast 1991 bridging fact and fantasy this book draws remarkable new parallels between disney s magical creations and their artistic inspirations

before ever after is a compilation of never before seen lecture notes from classes that were held in preparation for the production of snow white walt knew that to fulfill his once impossible dream of crafting a feature length animated film he had to establish an on campus art school for his staff he hand picked don graham a respected instructor from the chouinard art institute to hold classes on entertainment drawing and acting and was also innovative enough to document the thought process behind the nascent art form of feature animation guest lecturers included frank lloyd wright who spoke about art philosophy and usc psychology professor dr boris morkovin who talked about humor previously unseen outside of the disney studios these lecture notes contain the wisdom behind the artistry that audiences generation after generation have come to appreciate in snow white and this wisdom also provided the artistic foundation for many films to

come

from the earliest origins of animated imagery the colorful link between paper and screen was created by legions of female artists working on the slick surface of celluloid sheets with calligraphic precision and rembrandtesque mastery these women painstakingly brought pencil drawings to vibrant dimensional life yet perhaps as a reflection of the transparent canvas they created on the contributions and history of these animation artists have remained virtually invisible and largely undocumented until now walt disney s pioneering efforts in animation transformed novelty cartoons into visual masterpieces establishing many firsts for women within the entertainment industry along the way focusing on talent disney sought female story specialists and concept artists to expand the scope and sensibility of his storytelling upon establishing the first animation training program for women ink pens were traded for pencils as ladies made their way into the male laden halls of animation world war ii further opened roles traditionally held by men and women quickly progressed into virtually every discipline within animation production disney s later development of the xerox process and eventual digital evolution once again placed women at the forefront of technological advancements applied to animated storytelling in her latest landmark book ink paint the women of walt disney s animation author mindy johnson pulls back the celluloid curtain on the nearly vanished world of ink pens paintbrushes pigments and tea from the earliest black and white alice comedies to the advent of caps and digital animation meet the pioneering women who brought handrendered animated stories to vibrant multicolored life at walt disney studios and beyond extensively researched with the full support of the entire walt disney studios archival resources plus a multitude of private collections firsthand accounts newly discovered materials and production documentation as well as never before seen photography and artwork this essential volume redefines the collective history of animation

the most complete book ever written on disney character animation from the 1920s through the 1970s by two long term animators and disney legends this delightful inside story describes the evolution of the animation art form and the ways disney characters got their unique personalities authors frank thomas and ollie johnston worked with walt disney and other leading figures across five decades of disney films they animated leading disney characters and worked with others who helped perfect an extremely difficult and time consuming art form this illustrated volume is a how to animate book crafted for anyone to enjoy frank and ollie irresistibly charm readers with original drawings used in creating some of the best loved characters in american culture including mickey mouse and cinderella the authors showcase early sketches used in developing memorable sequences from classic movies such as fantasia and pinocchio with the full cooperation of the disney company and access to the studio s priceless archives they choose the precise drawings to illustrate their points from among thousands of pieces of preserved artwork film buffs students of popular culture and fans who warmly respond to disney animation will adore this collection some films frank and ollie feature shorts starring mickey mouse goofy and donald duck snow white and the seven dwarfs 1937 pinocchio 1940 fantasia 1940 dumbo 1941 bambi 1942 cinderella 1950 alice in wonderland 1951 peter pan 1953 sleeping beauty 1959 one hundred and one dalmatians 1961 mary poppins 1964 the jungle book 1967 frank and ollie share easter eggs behind the scenes stories and fun facts about the history and core principles of animation people who directly worked on and influenced the films the uses of live action footage in drawing humans and animals for the films the roles of artists voice cast and songwriters in preparation for the films story and character development processes to final frames

this fresh retelling of the classic disney film the lion king is illustrated with vintage paintings sketches and concept art from the original disney studio artists illustrated with

a variety of paintings sketches and concept art from the original disney studio artists this fresh retelling of the lion king follows the story of the classic animated film see how disney s artists interpreted the story through different styles and mediums and follow simba on his journey to becoming king of the pride lands

walt disney feature animation florida opened in orlando at the dawn of the disney renaissance as a member of the crew mary e lescher witnessed the small studio s rise and fall during a transformative era in company and movie history her in depth interviews with fellow artists administrators and support personnel reveal the human dimension of a technological revolution the dramatic shift from hand drawn cel animation to the digital format that eclipsed it in less than a decade she also traces the florida studio s parallel existence as a part of the magic of disney animation a living theme park attraction where lescher and her colleagues worked in full view of walt disney world guests eager to experience the magic of the company s legendary animation process a ground level look at the entertainment giant the disney animation renaissance profiles the people and purpose behind a little known studio during a historic era

from mickey mouse to timon roger rabbit to hades and aladdin to sebastian the famous the infamous and the obscure every character of the disney honor roll is present and accounted for in this comprehensive volume that every true disney fan and animation enthusiast will treasure

walt disney s animated feature film fun and fancy free opened in september 1947 it was an unusual kind of package feature combining two featurette length stories bongo and mickey and the beanstalk in a single motion picture the two stories were elaborately mounted within a third framing story featuring jiminy cricket and the whole package was further enhanced by the talents of two popular performers edgar bergen and dinah shore moviegoers who enjoyed this diverting feature were unaware that its various components had been in development for the better part of a decade now for the first time this monograph chronicles the full fascinating history of the making of fun and fancy free richly illustrated with over 125 sketches paintings and photos many never previously published here is the hidden story behind a delightful and underappreciated disney gem
