collects a selection of the many interviews wilson gave from 1984 to 2004 in the interviews the playwright covers at length and in detail his plays and his background he comments as well on such subjects as the differences between african americans and whites his call for more black theater companies and his belief that african americans made a mistake in assimilating themselves into the white mainstream he also talks about his major influences what he calls his four b s the blues writers james baldwin and amiri baraka and painter romare bearden wilson also discusses his writing process and his multiple collaborations with director lloyd richards publisher description

the aim of this book is to provide a theory of conversation which will allow analysts to delimit this activity as a specific speech event conversation has been treated both generically where it refers to any kind of talk and specifically referring only to informal interaction this book considers the ramifications of such imprecise definitions and indicates the structural advantages of specifying conversation in precise speech event terms

the book of judges appropriate for sunday school curriculum or an irredeemably violent book throughout its history judges has both

entertained and appalled readers some read it as a series of simple stories about faithfulness and some as a brutal and bloodthirsty book heller explores how judges can shape our understanding of our world our relationships and can provide a path to a deeper appreciation of the ways of god among people far from seeing the book as either simplistic or cruel heller allows this odd text to speak to us anew about god sin relationships and justice

billions of downloads global recognition presence in hollywood netflix roblox minecraft and lego how many broken eggs along the way the slingshot formula is the definitive behind the scenes analysis into the business tactics marketing genius and wild stunts that facilitated an unknown startup company to turn the mobile game angry birds into a true pop culture phenomenon in 2009 a small independent video game studio in finland was on the brink of bankruptcy it employed eighteen young people none of whom had any previous corporate experience by the time their 52nd mobile game angry birds comes around it is make or break time for the company over the following four months angry birds got downloaded one million times on the apple app store and became the next mobile hit the simple but mightily addictive game would proceed to change the course of its creators lives forever in just a few years the game flew to 4 billion downloads and slingshot its way into cinemas around the world more than a decade later the brand has become nothing short of a phenomenon the mobile games have several billions of downloads and hold a place in the guinness book of world records angry birds has evolved into a globally recognized entertainment brand and a pop culture icon filled with exclusive stories and insider tips the slingshot formula serves as the maverick playbook of what to do and what not to do when navigating fast lane success in the rapidity of the digital era

in the second battle for africa erik s mcduffie establishes the importance of the us midwest to twentieth century global black history internationalism and radicalism mcduffie shows how cities like chicago detroit and cleveland as well as rural areas in the heartland

became central and enduring incubators of marcus garvey s black nationalist universal negro improvement association unia and its offshoots throughout the region black thinkers activists and cultural workers like the grenada born activist louise little championed black freedom mcduffie explores garveyism and its changing facets from the 1920s onward including the role of black midwesterners during the emergence of fascism in the 1930s the postwar us black freedom movement and african decolonization the rise of the nation of islam and malcolm x in the 1950s and 1960s and the continuing legacy of garvey in today s black midwest throughout mcduffie evaluates the possibilities limitations and gendered contours of black nationalism radicalism and internationalism in the unia and garvey inspired movements in so doing he unveils new histories of black liberation and global africa

as politicians and judges argue over the original intent of our country s founding fathers the american founding itself continues to inspire a prodigious amount of research and commentary reflecting a bewildering array of methods and interpretations alan gibson now offers readers an insightful and convenient guide through this daunting and sprawling body of scholarship comprehensive and judicious interpreting the founding provides summaries and analyses of the leading interpretive frameworks that have guided the study of the founding since the publication of charles beard s an economic interpretation of the constitution in 1913 gibson argues that scholarship on the founding is no longer steered by a single dominant approach or even by a set of questions that control its direction he also examines the challenges posed to founding scholarship by this diversity and complexity and the possibilities opened by new avenues of inquiry that have recently emerged scholars of the founding including louis hartz bernard baily n gordon wood and garry wills that best exemplify different schools of interpretation gibson focuses on six approaches that have dominated the modern study of the founding progressive lockean liberal republican scottish enlightenment multicultural and multiple traditions approaches for each approach he traces its fundamental assumptions revealing deeper ideological and methodological differences

between schools of thought that on the surface seem to differ only about the interpretation of historical facts while previous accounts have treated the study of the founding as the sequential replacement of one paradigm by another gibson argues that all of these interpretations survive as alternative and still viable approaches each has simultaneously illuminated and masked core truths about the american founding he renders a balanced account of the current debate over the origins and foundations of the american republic and offers solid footing on the path to understanding the vast literature devoted to this important subject

a senior writer for people magazine offers a remarkable group portrait of incredible figures who congregated during the 1950s and 60s in tangiers in this mesmerizing account green explores decadent tangiers as the source of inspiration and madness for such remarkable writers as truman capote william burroughs jack kerouac allen ginsburg and tennessee williams and explains its hold as a deliciously depraved version of eden 16 page photo insert
