in the melody that is heard all day long in the teeming city and in nature's wilderness in all these notes
i have lost myself honoured at a public function when he was a mere boy of eleven with the title
bharati one blessed by saraswati the goddess of learning c subramania bharati 1882 1921 is renowned as
the herald of the renaissance of tamil literature the simplicity and lyricism that marked his poetry
reflect a clear shift in sensibility and craft from the classical tradition which had adhered to strictures
of style imagery and language for over 2000 years ranging from the fiercely patriotic and the deeply
romantic to the humbling intensity of devotion and the sharp criticism of self and society this selection
brings together poems that reflect the very essence of bharati's broad philosophy usha rajagopalan's
stellar translations echo the lyricism and transformative power that have lent bharati's poetry their
distinctive enduring quality

originally published in 1915 this collection features a selection of songs by the poet kabir one of the
most interesting personalities in the history of indian mysticism author rabindranath tagore language
