designed as a basic text for foundation and undergraduate courses in environmental studies this book introduces students to key scientific concepts related to environment and sustainable development it provides a comprehensive understanding of environmental concerns and issues with special reference to the indian context the primary objective of the book is to create an awareness of the environment it conceptualizes the

environment as a multidimensional and complex living system and describes the interlinkages that make up this system the presentation is supported by relevant examples and case studies to contextualize the information given questions and self learning exercises are provided at the end of each chapter to assist students to understand and apply the content in their immediate environment specifically the book highlights the interconnectedness of phenomena in real life and the interdisciplinary and multidisciplinary nature of environmental studies presents case studies to highlight examples of individual and collective action that have made a difference provides self learning exercises for each chapter to help develop skills of observation data collection analysis synthesis and presentation written in a non technical manner and supported by attractive illustrations this text will be welcomed not only by students but by anyone interested in understanding the environment it is specially relevant as it is being published on the eve of the un decade for education for sustainable development 2005 2014

from the late 1970s a revolution in indian language newspapers driven by a marriage of capitalism and technology has carried the experience of print to millions of new readers in small town and rural india

technical services quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice for the fourth edition expert instructor and librarian johnson has revised and freshened this resource to ensure its timeliness and continued excellence each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach as a comprehensive introduction for lis students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequaled

the first english study of poet k v simon 1883 1944 with sample translations including of his 12 000 line epic vedaviharam and a critical biography opening with the story of south indian poet laureate or mahakavi k v simon s heroic life this book escorts its global reader through the legendary malabar coast transiting into the densely rich simon verse in translation and closing with a comparative reading of a rewarding range of texts from simon and milton when simon s epic vedaviharam a verse rendition of the book of genesis appeared in the malayalam language in 1931 the guardian hailed the multifaceted simon as india s veritable milton like milton simon was a polymath poet hymnodist composer religious

reformer and an educator like milton he was a man of immense learning writing prose and verse with equal brilliance as a result of his writings in which he exhorted the church of his era to seek scriptural literacy rather than uphold uncritical traditions simon was catapulted into public life as a reformer apologist and a nationally known prophetic figure in mahakavi k v simon the milton of the east translations of simon s works cover a range from purpose driven topic studies to interpretive bible commentaries poems and hymns scholarship has so far placed simon s poetical work on par with the bhakti classics of ezhuthachen the father of modern malayalam and of poonthanam a hindu metaphysical poet both household names in india but in this study varghese mathai shows how simon distinguishes himself by his contributions to numerous knowledge fields that bridge him to world literature modern history colonial studies religion apologetics rhetorical studies and more

a comprehensive study dealing with music of north eastern india with special emphasis on musical instruments of assam has over 75 colour illustrations which add to the usefulness of the book

includes entries for maps and atlases
