in the pauline literature of the new testament the characteristics of the spirit and christian life are described through the use of metaphor an interpreter of paul must understand his metaphors in order to arrive at a complete understanding of the pauline pneumatological perspective thus the pauline metaphors of the holy spirit examines how the pauline spirit metaphors express the intangible spirit s tangible presence in the life of the christian rhetoricians prior to and contemporary with paul discussed the appropriate usage of metaphor aristotle s thoughts provided the foundation from which these rhetoricians framed their arguments in this context the pauline metaphors surveys the use of metaphor in the greco roman world during the nt period and also studies modern approaches to metaphor the modern linguistic theories of substitution comparison and verbal opposition are offered as representative examples as well as

the conceptual theories of interaction cognitive linguistic and the approach of zoltán kövecses in examining these metaphors it is important to understand their systematic and coherent attributes these can be divided into structural orientational and ontological characteristics which are rooted in the conceptual approach of metaphor asserted by george lakoff and mark johnson this book evaluates these characteristics against each of the pauline spirit metaphors

how does your personal faith journey relate to the big picture of the bible christians often encounter various bible passages through unrelated readings studies and sermons making it difficult to grasp the progression of scripture as a whole living god s word surveys the entire bible through broad themes that trace the progression of god s redemptive plan focusing on how each portion of scripture fits into the overarching narrative once you see the bible as a great story you ll begin to see how your own life fits into what god has done and is doing in the world each section of living god s word deals with a section of scripture and includes reading and listening preparation an explanation a summary observations about theological significance connections to the great story written assignments for further study living god s word is ideal for introductory college courses adult sunday school classes small groups or anyone who wants to understand how their life fits into the story of the bible enabling them to live faithfully in deep and important ways

life is a journey and like any journey it requires an accurate reliable roadmap to get us where we need to go god has provided such a guide in his word but just as a navigator needs to learn how to interpret all the contours and symbols of a map so also we need to be able to understand how the bible communicates its directions to us journey into god s word helps bible readers acquire these skills and become better at reading interpreting and applying the bible to life this abridgment of the bestselling college seminary textbook grasping god s word takes the proven principles from that book and makes them accessible to people in the church it starts with general principles of interpretation then moves on to apply those principles to specific genres and contexts hands on exercises guide readers through the interpretation process with an emphasis on real life application

many believers struggle with assurance of salvation tending to approach obedience to god out of either guilt or legalism we exist to display god s glory declare god s gospel and disciple for god s great commission instead of embracing these truths many christians have believed the lie that their identity in christ does not affect how they live their lives in obedience to him the gospel tells us that being identity comes before doing obedience this lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt the purpose of this book is to help believers understand their identity in the three persons of the trinity and then joyfully serve god with gospel obedience the gospel indicatives in the bible serve as the fountain and power for obeying the moral imperatives in the bible the gospel roots our assurance of salvation and motivation to obey god in our identity not in moralism which elevates our

performance instead of exalting the finished work of christ

intended for college and seminary courses on spiritual formation the workbook consists of twelve chapters with three parts each believing behaving and becoming that is what virtues to possess thus the thirty six lessons are holistic showing that the process of becoming like christ involves our entire being

is there a new reformation happening in the church it depends on who you ask the new apostolic reformation nar is a popular and fast growing new movement of christians who emphasize signs and wonders and teach that god is giving new revelation through new apostles and prophets but is this biblical christianity in counterfeit kingdom apologists and nar experts holly pivec and douglas geivett show how the nar s key tenets distort the gospel twist the scriptures are influenced by new age practices and lead faithful christians to shipwreck their faith they also offer practical suggestions for readers who are already influenced by the nar curious about it or concerned about loved ones who have been swept up in the movement what used to be on the fringes of the church is now mainstream and many are being influenced by it unaware this book is a wake up call
