special edition of the federal register containing a codification of documents of general

applicability and future effect with ancillaries

with seven of its justices appointed by republican presidents today's supreme court has significantly altered america's legal landscape since 1986 by tilting constitutional jurisprudence to the right that was the goal of presidents reagan and bush in filling court vacancies and has been felt in cases related to federalism economic rights and affirmative action however liberal issues such as abortion have moved only marginally to the right while rulings by the court on school prayer and gay rights have moved constitutional doctrine slightly to the left in this collection of original articles prominent constitutional scholars are joined by new voices from the cutting edge of academia to subject the rehnquist court to closer scrutiny and to show that its brand of conservatism is less extreme than many have supposed reflecting views across the political spectrum the contributors help readers understand the court dynamic its constrained conservatism and the forces that shape constitutional law in general as these authors show the overall pattern of decision making in the rehnquist era cannot be attributed to any single unified approach to constitutional analysis instead today's court can only be understood as the product of a complex interaction among individual justices each with an idiosyncratic view of the proper interpretation of the constitution and the role of the court in the american political system these provocative essays are designed to provide readers with insight into this interaction by focusing on each member of the bench from the staunch conservatism of clarence thomas to the accommodationism of sandra day o'connor to the liberal constitutionalism of david souter the essays analyze the unique approach of each justice to interpreting the constitution they also show that the current justices are the product of a nomination and confirmation process that has undergone a major transformation in recent decades one which favors experienced often unknown jurists over high profile public servants by concentrating attention on its members rehnquist justice allows us to better understand the supreme court as a whole and by assessing today's judiciary in light of a public philosophy that looks askance at government it shows us that the supreme court has truly become a mirror of its times

previous edition 6th published in 1994

topless bars casino gambling needle exchange programs for drug addicts there's no question morality issues remain front and center in urban politics presenting a systematic analysis of culture war issues at the local level elaine sharp shows how american cities deal with these ongoing concerns drawing on a sample of ten

strategically chosen cities she explains differences in how municipalities respond to controversies surrounding sex business abortion clinics legalized gambling gay rights and drug use by analyzing the relative importance of subculture economics and institutional arrangements in the disputes she points the way toward richer and more complete understanding of how different cities respond differently to these hot button issues far more than a statistical study morality politics in american cities is a collection of fascinating stories of real people grappling with down to earth issues and real life drama richly informative case studies that will captivate students and interested citizens alike mayors public health directors activists and others speak their minds about the pros and cons of these controversies here are officials in one city confronting the vatican over funding for abortion services those in another battling a local university over its refusal to provide health benefits to gay partners of faculty members and still others mounting a massive community sponsored attack on topless clubs these stories provide detailed evidence to support classifications needed for comparing cities experience with each of the five morality issues they also corroborate inferences drawn from the comparisons by showing what considerations were in play as local officials grappled with these issues overall the study shows that cultural factors usually dominate policymaking in local politics except when specific economic interests are at stake and also observes that county level governments are more important than previously thought in terms of morality issue decisions as provocative as it is informative morality politics in american cities demonstrates that such issues same sex marriage for example are multidimensional and often difficult to resolve its conclusions however contingent mark an important step in the ongoing process of understanding important differences in approaches to these issues and clearly show how moral conflicts continue to define american politics

with a new chapter devoted to hillary and bill clinton s tainted partnership in office and to the present first lady s senatorial ambitions this second edition offers fresh insights into america s paradoxical expectations for its presidential wives and husband deeply engrossing publishers weekly 33 photos
