excerpt from the union pacific railway a study in railway politics history and economics the work of the student of history has  
heretofore been confined almost wholly to the political religious and literary development of peoples their industrial

development has been subjected to inexcusable neglect yet the pillars of the dominance of the anglo saxon race are its superior industrial attributes what a people accomplishes industrially and how it accomplishes it go far to determine how it will be governed what it will think and feel and what it will write the freedom of the individual that was the product of the eighteenth century has been more emphatically manifested in the field of industry than in any other field of human activity the growth of constitutional government in england is easily traced to the want of harmony between the old political status and the newly developed industrial status of english society the increasing tendency to submit international disputes to arbitration is attributable not so much to a more enlightened repugnance to warfare as to the mere human fear of destruction of wealth and interference with industries occasioned by it the annapolis convention had its origin in the desire of the american states to consider how far a uniform system in their commercial relations might be necessary to their common interests the slavery question was largely an industrial question and its solution was industrial not political or moral about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

when it appeared in 1949 the first edition of ray allen billington's westward expansion set a new standard for scholarship in western american history and the book's reputation among historians scholars and students grew through four subsequent editions this abridgment and revision of billington and martin ridge's fifth edition with a new introduction and additional scholarship by ridge as well as an updated bibliography focuses on the trans mississippi frontier although the text sets out the

remarkable story of the american frontier which became almost from the beginning an archetypal narrative of the new american nation s successful expansion the authors do not forget the social environmental and human cost of national expansion

yearbook of international organizations is the most comprehensive reference resource and provides current details of international non governmental ngo and intergovernmental organizations igo collected and documented by the union of international associations uia detailed information on international organizations worldwide can be found here besides historical and organizational information details on activities events or publications contact details biographies of the leading individuals as well as the presentation of networks of organizations are included
