go chinese now comes with a second edition offering new and improved content as a fully integrated chinese language program it is specially designed for learners of chinese as a foreign language comprising eight levels go chinese helps students develop all four language skills across the three modes of communication interpretive interpersonal and presentational it

engages students in an exploration of Chinese culture and helps them gain an appreciation of Chinese cultural products, practices, and perspectives. Students will also have opportunities to compare different cultures, make connections with other discipline areas, and extend their learning experiences to their homes and communities. The program employs innovative teaching methodologies to enhance language learning and to motivate students to learn Chinese. Go Chinese is divided into two series: beginner levels 1-4 and intermediate levels 5-8. The beginner series equips students with vocabulary and common expressions for everyday interactions in Chinese, while the intermediate series places more emphasis on cultural comparison, self-expression, and opinion exchange. Each level offers 10 lessons and consists of a textbook and a workbook. The program's companion site offers additional resources for teachers and students.

Instructional language lessons intended to accompany textbooks and workbooks of the same title.
