entrepreneurs need to be financially literate the most common cause of business failure is poor financial control stemming from an ignorance of the basics of business finance practical financial management is intended to help those who find business finance confusing now in its eighth edition it continues to provide advice on proper financial planning and control and reinforces essential points through the use of questions within each section beginning with an introduction to the key financial statements it moves on to look at the tools of financial analysis the keys to controlling a business successfully the final part of the book deals with business planning and budgeting a vital area of business finance as most new ventures cannot get off the ground without a business plan and existing businesses cannot expand now with more examples and explanations of key terms as well as information on loans for small businesses and guidance on how to analyze business accounts practical financial management is an invaluable read for aspiring entrepreneurs and those already in business this book could mean the difference between success and failure

those who advocate the traditional maximize shareholder value goal of the firm will find that position clearly presented in the 9th edition in addition to critical arguments for and against it those who advocate a multiple stakeholder approach will see that view fairly presented as well in addition to the criticisms of this approach the financial effect of the world wide covid pandemic is examined in this 9th edition both shareholder capitalism and stakeholder capitalism are critically evaluated should a company s impact on climate change be considered when corporate decisions are made if so is this a matter of self interest a desire to also consider the interests of

stakeholders who are not shareholders of the firm or both the 9th edition addresses these questions there are special forms of business organization that have an explicit social welfare purpose we covered the state chartered benefit corporation and b lab certified corporation in 8e in 9e the low profit limited liability company l3c has been added business schools everywhere are emphasizing in their marketing communications their contributions to society perhaps your business school has communicated about sustainable business practices and the triple bottom line of profit people and planet finance is a discipline that has not been a significant part of these conversations it is our view that finance needs to take part but in a way that is true to our discipline ignoring these issues as most books in this market do is not the answer

this ebook is about practical financial management for entrepreneurs the author of this instant guide from harriman house guy rigby has also written from vision to exit which is a complete entrepreneurs guide to setting up running and passing on or selling a business

this book introduces key concepts and methods in business financial management it consists of two parts part one is structured around start up investments and key financing decisions facing entrepreneurs during their first year in business the instruments examined include the investment budget financing plan the opening balance sheet financial planning for profits and liquidity the closing balance sheet and a complete treatment of ratio analysis part two is about cost prices budgeting and variance analysis profit calculation methods and break even point and finally calculations of the returns to alternative investment options all of these subjects are treated in an accessible stepwise manner and are accompanied with illuminating examples the combination of theoretical rigor and simple explanations makes the present volume indispensable for both students and entrepreneurs
