this comprehensive guide includes all the facts necessary to make informed decisions about where to apply and what to expect in law school official profiles of every accredited u s and canadian law school as well as many nonaccredited schools are presented in clear easy to read formats special sections offer in depth advice on how to finance your law school education how to evaluate your admission chances at different schools and what types of law school programs are available a pre law advisor answers the most frequently asked questions in a separate essay a law school student gives a personal account of the admission process and experiences in the first year of law school

more than 150 colleges in the united states were founded by nuns and over time they have served many constituencies setting some educational trends while reflecting others in catholic women s colleges in america tracy schier cynthia russett and their coauthors provide a comprehensive history of these institutions and how they met the challenges of broader educational change

the authors explore how and for whom the colleges were founded and the role of catholic nuns in their founding and development they examine the roots of the founders spirituality and education they discuss curricula administration and student life and they describe the changes prompted by both the church and society beginning in the 1960s when decreasing enrollments led some colleges to opt for coeducation while others restructured their curricula partnered with other catholic colleges developed specialized programs or sought to broaden their base of funding contributors dorothy m brown georgetown university david r contosta chestnut hill college jill ker conway massachusetts institute of technology carol hurd green boston college monika k hellwig association of catholic colleges and universities karen kennelly president emerita of mount saint mary s college los angeles jeanne knoerle president emerita of saint mary of the woods college thomas m landy college of the holy cross kathleen a mahoney humanitas foundation melanie m morey leadership and legacy associates boston mary j oates regis college jane c redmont graduate theological union in berkeley cynthia russett yale university tracy schier boston college

a comprehensive account and frank assessment of federal involvement in education is long overdue education policy expert vicki e alger remedies this deficiency with her book failure the federal miseducation of america s children as its title indicates failure makes no effort to sugar coat its findings created in 1979 after a lobbying campaign that spanned generations the department of education has failed to live up to its promises federal involvement whether related to testing funding or academic curricula has failed to abide by the constitution s implication that education must remain the domain only of state and local governments and private institutions most of all the central government s pervasive meddling in education has failed america s school children and their parents education policy has long been mired in controversies often with opposing sides missing the mark failure helps us step back from the skirmish du jour and redirects our focus to the big picture showing us what s gone wrong over the decades and the institutional causes of these failures it also offers a bold blueprint for returning the federal government to its constitutional role and for cultivating an educational system that meets the needs of students and parents rather than bureaucrats concerned citizens of every stripe will benefit from failure s history of federal education policy its brutally honest report card for the department of education its look at education systems across the globe and its ambitious policy recommendations failure might even succeed in reframing the way the federal education establishment thinks about education policy

this book presents a practical and easy to follow guide to develop and deliver an online language course successfully it provides language teachers across the globe with useful insights and strategies to effectively teach language online it offers suggestions on designing developing delivering and improving online courses and provides ideas on engaging and motivating students by making learning relevant to them the book focuses on the importance of collaborative and cooperative learning and empathy in improving students learning experience online while taking the reader through the essential steps of course development and delivery the text also shares the personal experiences that have helped the author develop some of her most successful teaching techniques for online courses
