after a zombie breakout ravages Spain, a few survivors arrive in the Canary Islands, one of the last zones safe from the undead. But there they encounter a military state embroiled in a civil war with a hungry population without the resources needed to survive.

Da quando lavoro qui non mi hanno fatto fare altro che pedinare adolescenti. Non c'è ragazzino che possa fumarsi una canna senza che io gli sia attaccata al culo. I primi anni però non capitava che pedinassi giovani di meno di quindici anni. Oggi non mi stupirebbe che mi mandassero alle elementari. Gli adulti della mia generazione si infiltrano nella vita dei loro figli. Non sono disposti a lasciarsi sfuggire la giovinezza. Per la seconda volta non si può dire che detesti quello che faccio, ma truccare i cellulari dei ragazzini è un atto per niente eroico e tanto meno eccitante. Virginie Despentes, *Apocalypse Baby*.

The four horsemen of the apocalypse are described in the last book of the New Testament of the Bible, called the Book of John of Jesus Christ to John of Patmos at 6:1-8. The chapter tells of a book or scroll in God's right hand that is sealed with seven seals. The Lamb of God opens the first four of the seven seals, which summons four beings that ride out on white, red, black, and pale horses. Though theologians and popular culture differ on the first horseman, the four riders are often seen as symbolizing conquest or pestilence, and less frequently, the Christ or the Antichrist, war, famine, and death. Citation needed. The Christian apocalyptic vision is that the four horsemen are to set a divine apocalypse upon the world as harbingers of the last judgment. One reading ties the four horsemen to the history of the Roman Empire subsequent to the era in which the Book of Revelation was written; that is, they are a symbolic prophecy of the subsequent history of the empire. Extract from *The Tryst in the Garden of the Chapelle Expiatoire*: They were to have met in the garden of the Chapelle Expiatoire at five o'clock in the afternoon, but Julio Desnoyers, with the impatience of a lover who hopes to advance the moment of meeting by presenting himself before the appointed time arrived an hour earlier, the change of the seasons was at this time greatly confused in his mind, and evidently demanded some readjustment. Five months had passed since their last interview. In this square had afforded the wandering lovers the refuge of a damp, depressing calmness near a boulevard of continual movement, close to a great railroad station. The hour of the appointment was always five, and Julio was accustomed to see his beloved approaching by the reflection of the recently lit street lamps, her figure enveloped in furs and holding her muff before her face as if it were a half mask. Her sweet voice greeting him had breathed forth a cloud of vapor, white and tenuous, congealed by the cold. After various hesitating interviews, they had abandoned the garden; their love had acquired the majestic importance of an acknowledged fact, and from five to seven had taken refuge in the fifth floor of the Rue de la Pompe, where Julio had an artist's studio. The curtains were well drawn over the double glass windows; the cosy hearth fire sending forth its

ruddy flame as the only light of the room the monotonous song of the samovar bubbling near the cups of tea all the seclusion of life isolated by an idolizing love had dulled their perceptions to the fact that the afternoons were growing longer that outside the sun was shining later and later into the pearl covered depths of the clouds and that a timid and pallid spring was beginning to show its green finger tips in the buds of the branches suffering the last nips of winter that wild black boar who so often turned on his tracks translated by charlotte brewster jordan 1862 circa 1932 was an american writer and translator best known for her authorized translation of vicente blasco ibañez s four horsemen of the apocalypse which was one of the best selling novels of the early 20th century
