how can some ministers whose personal and spiritual lives are dried up and in shambles still operate in the anointing and continue to minister with power
pastor benny hinn asked this question during a season of personal trial and his quest lead him to an in depth understanding of three rivers or types of anointing in scripture the anointing within you 1 john 2 27 the anointing upon you acts 1 8 and the global anointing which builds up and destroys nations isa 10 27 in this book hinn explores these three types of anointing sharing personal stories of things he learned firsthand from kathryn kuhlman and oral roberts as well as providing biblical and historical examples that illustrate his teachings

linville argues that a new approach to the book of kings is needed because of the failings of the usual historical critical methods he adopts a holistic approach which sees the book as a persian era text intended to articulate politically and religiously significant symbols within the book s monarchic history these express the producer s reactions to important issues of jewish identity in the continuing diaspora and in jerusalem in the story of the schisms and apostacies of israel s defunct monarchies both the diaspora and cultural pluralism are legitimized rival versions of israelite heritage are reconciled under an overarching sense of a greater israelite history and identity
