my little alphabet colouring book cute creative children s colouring if your little one loves the alphabet they ll love this fun packed colouring book with easy to colour illustrations and letters to practice this large size book will keep your kids entertained for hours as they get creative and explore the wonderful world of my little alphabet you may also enjoy my little princess colouring book my little mermaid colouring book my little unicorn colouring bookmy little alphabet colouring book my little pony colouring book

i have always been interested in learning by colouring but not in reading i have designed this third book in a way that helps children from the start to get interested in counting by listening following the printed numbers words and pictures playing and having fun this colouring book aims to teach 2 year olds and up counting from 1 to 26 where a is 1 b is 2 c is 3 etc using a full range of basic skills to prepare them for life and to make reading counting and learning fun your child will quickly learn to recognise identify and associate pictures with numbers and words to start reading and writing opposite each colouring page of the alphabet are the numbers to add to working with your child say the number aloud while pointing to each word or picture so your child can see the words or pictures letting them repeat the words and count the pictures the first book i wrote learning the alphabet colouring book is with actual 3 4 and 5 letter words on the left hand side with the a b c s on the right hand side all could be coloured in the second book learning the alphabet reading and colouring book is with little stories on the left hand page and a b c s on the right hand side all could be coloured in but this book is for parents to teach counting and colouring with their child to show how a is the first letter of the alphabet relating to number 1 to z the last letter relating to number 26 i do hope you and

your child enjoys using this counting and colouring book and spending quality time together

let your children learn the alphabet as they colour this fantastic colouring book contains 26 amazing pictures to colour in each letter has a picture beginning with that letter for hours of learning through play children will love colouring in these pictures as they develop their fine motor skills hand eye coordination and letter recognition skills each letter and picture is on a single page to prevent bleed through and there are 26 professionally illustrated letters to colour and learn

create different themes of colour or limit yourself to just 1 or 2 great practice for shading shapes with different mediums such as markers remember to put a piece of paper underneath when using markers pencil crayons or crayons the anticipation of seeing what it looks like in the end is what it s all about you can put these up on your wall as a reference once they re all coloured in or keep them in the book to see them later post up your results on social media using awesomealphabetcb follow ian milligan s work instagram ian milliganwebsite ianmilligan com

we designed this book for children to improve both reading and writing skills also help them memorize letters and lean about some animals in a fun way so they don t get bored this color book has 8 5 11in 21 59 27 94cm 110 page each one of these pages has one letter and a photo of an animal to be leaned there s also a simple exercises for each letter the photos might seemed easier sometime and harder other times to encourage there creativity and help there brain to make an effort with that being said i just want you to know that we did lots of researches based on lots of levels tell we come with this perfect color book thank you
