made up of poems that are so original in their style and so startlingly accomplished in their confessional voice that they helped change the direction of contemporary poetry ariel is a masterpiece new york observer sylvia plath s famous collection as she intended it when sylvia plath died she not only left behind a prolific life but also her unpublished literary masterpiece ariel when her husband ted hughes first brought this collection to the public it garnered worldwide acclaim but it wasn't the draft sylvia had wanted her readers to see this facsimile edition restores for the first time plath s original

manuscript including handwritten notes and her own selection and arrangement of poems this edition also includes in facsimile the complete working drafts of her poem ariel which provide a rare glimpse into the creative process of a beloved writer this publication introduces a truer version of plath's works and will alter her legacy forever

upon the publication of her posthumous volume of poetry ariel in 1965 sylvia plath became a household name readers may be surprised to learn that the draft of ariel left behind by plath when she died in 1963 is different from the volume of poetry eventually published to worldwide acclaim this facsimile edition restores for the first time the selection and arrangement of the poems sylvia plath left at the point of her death in addition to the facsimile pages of sylvia plath's manuscript this edition also includes in facsimile the complete working drafts of the title poem ariel in order to offer a sense of plath's creative process as well as notes the author made for the bbc about some of the manuscript's poems including daddy and lady lazarus in her insightful foreword to this volume frieda hughes sylvia plath's daughter explains the reasons for the differences between the previously published edition of ariel as edited by her father ted hughes and her mother's original version published here with this publication sylvia plath's legacy and vision will be reevaluated in the light of her original working draft

this book establishes the restored version of jennie gerhardt as a far better piece of literature than the 1911 edition it is also the first extensive study of the damaging effects of the editorial process on a significant work of american literature this study carefully compares the restored edition to the 1911 edition revealing clear and precise patterns to the harper editing these patterns in turn suggest that the harper editors deliberately approached dreiser's original manuscript with the intention of softening its social and moral content this study argues that the firm's historical emphasis on family values and its lengthy bout with bankruptcy and reorganization coupled with the conservative social and moral climate at the turn of the century motivated the house to edit the novel with a heavy and censorious hand the end result was a more agreeable and therefore more saleable book this study also provides an extensive discussion on the probable reasons why dreiser acquiesced to changes he felt were not in the best interest of his novel by continually placing material from the 1911 edition alongside that of the restored edition and then situating the cuts and emendations within their appropriate thematic historical cultural social moral biographical and autobiographical contexts readers will see how the editors distorted dreiser's original writing of every major character their interaction with their environment and their relationship with others readers will also see how the editing blunted and in some cases completely erased dreiser's criticism of the wealthy capitalist society's understanding and treatment of the poor the working class and the immigrant and traditional notions of motherhood womanhood relationships and the american dream this study argues that once dreiser's original

language is restored jennie gerhardt can stand alongside dreiser s other novels and can add to critical discussions on class gender morality ethnicity naturalism and romanticism in dreiser s fiction the trouble with dreiser harper and the editing of jennie gerhardt is an important work for collections of american literature theodore dreiser textual studies early twentieth century cultural studies especially those interested in ethnicity and early twentieth century historical studies

a stunning portrait of the complicated woman who becomes ernest hemingway s fourth wife tracing her adventures before she meets ernest exploring the tumultuous years of their marriage and evoking her merry widowhood as she shapes hemingway s literary legacy mary welsh a celebrated wartime journalist during the london blitz and the liberation of paris meets ernest hemingway in may 1944 he becomes so infatuated with mary that he asks her to marry him the third time they meet although they are married to other people eventually she succumbs to ernest s campaign and in the last days of the war joined him at his estate in cuba through mary s eyes we see ernest hemingway in a fresh light their turbulent marriage survives his cruelty and abuse perhaps because of their sexual compatibility and her essential contribution to his writing she reads and types his work each day and makes plot suggestions she becomes crucial to his work and he depends upon her critical reading of his work to know if he has it right we watch the hemingways as they travel to the ski country of the dolomites commute to harry s bar in venice attend bullfights in pamplona and madrid go on safari in kenya in the thick of the mau mau rebellion and fish the blue waters of the gulf stream off cuba in ernest s beloved boat pilar we see ernest fall in love with a teenaged italian countess and wonder at mary s tolerance of the affair we witness ernest s sad decline and mary s efforts to avoid the stigma of suicide by claiming his death was an accident in the years following ernest s death mary devotes herself to his literary legacy negotiating with castro to reclaim ernest s manuscripts from cuba publishing one third of his work posthumously she supervises carlos baker s biography of ernest sues a e hotchner to try and prevent him from telling the story of ernest s mental decline and spends years writing her memoir in her penthouse overlooking the new york skyline her story is one of an opinionated woman who smokes camels drinks gin swears like a man sings like edith piaf loves passionately and experiments with gender fluidity in her extraordinary life with ernest this true story reads like a novel and the reader will be hard pressed not to fall for mary

sylvia plath is widely recognized as one of the leading figures in twentieth century anglo american literature and culture her work has constantly remained in print in the uk and us and in numerous translated editions since the appearance of her first collection in 1960 plath s own writing has been supplemented over the decades by a wealth of critical and biographical material the cambridge introduction to sylvia plath provides an authoritative and comprehensive guide to the poetry prose and autobiographical writings of sylvia plath it offers a critical overview of key readings debates and issues

from almost fifty years of plath scholarship draws attention to the historical literary national and gender contexts which frame her writing and presents informed and attentive readings of her own work this accessibly written book will be of great use to students beginning their explorations of this important writer

the book explores the liminal aesthetics of u s cultural and literary practice interrogating the notion of a presumptive unity of the american experience moveable designs argues that inner conflict divisiveness and contradiction are integral to the nation s cultural designs themes and motifs the study suggests that u s literary and cultural practice is permeated by

moveable designs flexible yet constant features of hegemonial practice that constitute an integral element of american national self fashioning the naturally pervasive liminality of u s cultural production is the key to understanding the resilience of american culture moveable designs looks at artistic expressions across various media types literature paintings film television seeking to illuminate critical phases of u s american literature and culture from the revolutionary years to the movements of romanticism realism and modernism up to the postmodern era it combines a wide array of approaches from cultural history and social anthropology to phenomenology connecting an analysis of literary and cultural texts with approaches from design theory the book proposes a new way of understanding american culture as design it is one of the unique characteristics of american culture that it creates or rather designs potency out of its inner conflicts and apparent disunities that which we describe as an identifiable american identity is actually the product of highly vulnerable alternating processes of dissolution and self affirmation

a wonderful highly comprehensive john barton author of a history of the bible global history of the world s best known and most influential book for christians the bible is a book inspired by god its eternal words are transmitted across the world by fallible human hands following jesus s departing instruction to go out into the world the bible has been a book in motion from its very beginnings and every community it has encountered has read heard and seen the bible through its own language and culture in the bible bruce gordon tells the astounding story of the bible s journey around the globe and across more than two thousand years showing how it has shaped and been shaped by changing beliefs and believers radically different needs the bible has been a tool for violence and oppression and it has expressed hopes for liberation god speaks with one voice but the people who receive it are scattered and divided found in desert monasteries and chinese house churches in byzantine cathedrals and guatemalan villages breathtakingly global in scope the bible tells the story of this sacred book through the stories of its many and diverse human encounters revealing not a static text but a living dynamic cultural force

the acclaimed author explores the greatest travel writing by literary adventurers from freya stark and james baldwin to nabokov and hemmingway paul theroux celebrates fifty years of wandering the globe with this meditative journey through the books that shaped him as a reader and traveler part philosophical guide part miscellany part reminiscence the tao of travel enumerates the contents of some travelers bags and exposes writers who wrote about places they never visited tracks extreme journeys in travel as an ordeal and highlights some of travelers favorite places excerpts from the best of theroux s own work are interspersed with selections from travelers both familiar and unexpected including j r r tolkien samuel johnson eudora welty evelyn waugh isak dinesen charles dickens henry david thoreau pico iyer mark twain anton

how war trauma haunted the films of weimar germany shell shock cinema explores how the classical german cinema of the weimar republic was haunted by the horrors of world war i and the devastating effects of the nation's defeat in this exciting new book anton kaes argues that masterworks such as *the cabinet of dr caligari* *nosferatu* *the nibelungen* and *metropolis* even though they do not depict battle scenes or soldiers in combat engaged the war and registered its tragic aftermath these films reveal a wounded nation in post traumatic shock reeling from a devastating defeat that it never officially acknowledged let alone accepted kaes uses the term shell shock coined during world war i to describe soldiers suffering from nervous breakdowns as a metaphor for the psychological wounds that found expression in weimar cinema directors like robert wiene f w murnau and fritz lang portrayed paranoia panic and fear of invasion in films peopled with serial killers mad scientists and troubled young men combining original close textual analysis with extensive archival research kaes shows how this post traumatic cinema of shell shock transformed extreme psychological states into visual expression how it pushed the limits of cinematic representation with its fragmented story lines distorted perspectives and stark lighting and how it helped create a modernist film language that anticipated film noir and remains incredibly influential today a compelling contribution to the cultural history of trauma shell shock cinema exposes how german film gave expression to the loss and acute grief that lay behind weimar's sleek façade

previously published as *guantánamo diary* this momentous account and international bestseller is soon to be a major motion picture the first and only diary written by a guantánamo detainee during his imprisonment now with previously censored material restored mohamedou ould slahi was imprisoned in guantánamo bay in 2002 there he suffered the worst of what the prison had to offer including months of sensory deprivation torture and sexual assault in october 2016 he was released without charge this is his extraordinary story as inspiring as it is enraging

this book brings together a diverse range of contemporary scholarship around both anthony burgess's novel 1962 and stanley kubrick's film *a clockwork orange* us 1971 uk 1972 this is the first book to deal with both together offering a range of groundbreaking perspectives that draw on the most up to date contemporary archival and critical research carried out at both the stanley kubrick archive held at university of the arts london and the archive of the international anthony burgess foundation this landmark book marks both the 50th anniversary of kubrick's film and the 60th anniversary of burgess's novel by considering the historical textual and philosophical connections between the two the chapters are written by a diverse range of contributors covering such subjects as the burgess kubrick relationship burgess's recently discovered sequel *the clockwork condition* the cold war context of both texts the history of the script the politics of

authorship and the legacy of both including their influence on the songwriting and personas of david bowie
