in his book generations of sufis abū ʿabd al raḥmān al sulamī died 1021 the sufi master of nishapur and shafiʿi traditionist and historian collected the teachings of 105 sufi masters who lived between the 2nd 8th and the 4th 10th centuries sulami gives a short biography of each master with representative quotations from his teachings he thereby illustrates the numerous approaches to the spiritual path and the unity of its principles one of the oldest works of the sort it assembles the doctrinal foundations from which medieval sufism developed it is a key reference which influenced all sufi literature and even historiography this is the first translation of a work of this type to be published in a european language dans les générations des soufis abū ʿabd al raḥmān al sulamī m 1021 maître soufi de nishapur traditionniste šāfiʿite et historien collecte l'enseignement de cent cinq maîtres soufis qui vécurent entre le 2e 8e et le 4e 10e siècles pour chacun d'eux sulamī propose une courte notice biographique et un ensemble de citations représentatives de son enseignement il rend ainsi compte de la diversité des approches de la voie spirituelle et de l'unité de ses principes cet ouvrage l'un des plus anciens de ce type rassemble le socle doctrinal sur lequel s'élabora le soufisme médiéval référence incontournable il eut

une influence considérable sur toute la littérature du soufisme et même l'historiographie cette traduction est la première en langue européenne d'un ouvrage de ce type

the work published in this third and final volume of brill's handbook on the tradition of the book of sentences breaks new ground in three ways first several chapters contribute to the debate concerning the meaning of medieval authority and authorship for some of the most influential literature on the sentences consisted of study aids and compilations that were derivative or circulated anonymously consequently the volume also sheds light on theological education on the ground the kind of teaching that was dispensed by the average master and received by the average student finally the contributors show that peter lombard's textbook played a much more dynamic role in later medieval theology than hitherto assumed the work remained a force to be reckoned with until at least the sixteenth century especially in the iberian peninsula contributors are claire angotti monica brinzei franklin t harkins severin v kitanov lidia lanza philipp w rosemann chris schabel john t slotemaker marco toste jeffrey c witt and ueli zahnd

professor jean richard is the doyen of crusade historians although also well known as one of the most distinguished historians of burgundy he has through publications which have been appearing for over half a century established himself as the greatest living scholar working on crusading and the latin east his book on twelfth century tripoli published in 1945 is still the standard work on the county in the 1950s he and joshua praver provided a revolutionary approach towards the constitution and institutions of the kingdom of jerusalem he went on to pave the way for an entirely new understanding of the kingdom of cyprus in the 1960s he was one of a few historians who were sign posting a more empathetic view of the ideology of crusading and the motivation of crusaders and he developed his ideas further in recent monographs on saint louis and on the crusades in general his work on catholic missions to asia and the role of the papacy in those enterprises is generally regarded as setting standards which few can approach to celebrate his eightieth birthday thirty nine

colleagues have contributed articles in fields which themselves illustrate professor richard s breadth of interest the crusades the military orders and the latin settlements on the levantine mainland and the island of cyprus
