norwell was originally part of the maritime town scituate an area that boasted a thriving shipbuilding industry for over 200 years on the north river in 1848 taxpayers from the south end of scituate wanted more control over their finances and voted for secession this area originally known as south scituate was renamed norwell in 1888 after the town s generous benefactor henry norwell what remains of this quintessential south shore community are many charming neighborhoods such as ridge hill which has remnants of a commercial era long since passed and norwell village with a quaint small village atmosphere that survives today

located on the south shore of massachusetts midway between boston and cape cod the hanover area began attracting settlers as early as 1649 the waterways of the north river valley beckoned to shipbuilders millwrights and associated trades and the villages that developed near these workplaces still reflect their rural beginnings and architecture the four corners site of the wales tavern which hosted paul revere and daniel webster looks much as it did a century ago the uss constitution anchor was forged in hanover and in more recent history the national fireworks company was a leader in munitions production during world wars i and ii
