greer lewis s a brief history of the western world gives you a comprehensive view of the development of western civilization in half the pages of other texts each chapter provides broad coverage of political social cultural and religious themes includes a cd rom and access to an online university library

greer lewis's a brief history of the western world volume i to 1715 provides you with a comprehensive view of the development of western civilization in half the pages of other texts each chapter provides broad coverage of political social cultural and religious themes includes a cd rom and access to an online university library

a text that students actually enjoy reading this comprehensive yet streamlined narrative history of the western world brings the stories of ordinary people as well as famous leaders and events to life authoritative and up to date it offers exceptionally broad social and geographical coverage highlighting the global setting of western history and emphasizing the effects of the west's repeated encounters with the non western world

covering western history from the ancient world to the current era of globalization the modernization of the western world describes the forces of social change and what they have meant to the lives of the people caught up in them the volume presents the history of western civilization from a historical sociology perspective introducing readers to the analyses of thinkers like Émile durkheim karl marx adam smith ferdinand tönnies and max weber in order to provide tools for understanding how societies function and change this application of modernization theory argues not that what has happened in the west should or even must happen in non western societies but that understanding modernization as a process of social change affords a better understanding of why and how life has changed over the past millennium the interactions of western and non western societies have had a profound effect on each other this is the story of the development of a truly global economy this new edition has been updated to include a final chapter which addresses recent developments economic disturbances in the global marketplace cyberwarfare and the rise of populist movements testing the relevance of classic modernization theory for today featuring a glossary maps and illustrations boxed features and an extensive index this book will be of particular interest to students looking to understand world history as well as those interested in historical sociology and modernization theory

this masterly study has a grand sweep it ranges over centuries with a long look backward over several millennia yet the history it unfolds is primarily the story of individuals thinkers and dreamers who envisaged an ideal social order and described it persuasively leaving a mark on their own and later times the roster of utopians includes men of all stripes in different countries and eras figures as disparate as more and fourier the marquis de sade and edward bellamy rousseau and marx fascinating character studies of the major figures are among the delights of the book utopian writings run the gamut from fictional narratives to theoretical treatises from political manifestos to constitutions for a new society the manuels have structured five centuries of utopian invention by identifying successive constellations groups of thinkers joined by common social and moral concerns within this framework they analyze individual writings in the context of the author's

life and of the socio economic religious and political exigencies of his time concentrating on innovative works they highlight disjunctures as well as continuities in utopian thought from the renaissance through the twentieth century witty and erudite challenging in its interpretations and provocative in the questions it poses the manuels anatomy of utopia is an adventure in ideas

this book the first of a multi volume set on the silk road during the ming dynasty takes a holistic and global view of the origin and development of the silk road the multi volume work revisits the history of the silk road and analyzes the evolving relationship between china and the world from the late 14th century to the mid 17th century it reveals the historical significance of the silk road and cultural exchange for world history this first volume focuses on china s foreign relations in the early ming dynasty with its non invasive foreign policy and ideal of common peace which differed from the foreign policies of all previous dynasties the discussion also extends to the continued development of the silk road routes both land and sea in the late ming dynasty a time when the west discovered china through the footprints of the khitan people it illuminates the historical contribution of china during the ming dynasty to the world of a shared future for mankind this title is essential reading for historians and students of world or chinese history as well as anyone with a keen interest in historical global connections silk road studies or sino foreign relations

ever since the attacks of 11th september western leaders have described a world engaged in a fight for civilization but what do we mean by civilization we believe in a western tradition of openness and freedom that has produced a good life for many millions of people and a culture of enormous depth and creative power but the history of our civilisation is also filled with unspeakable brutality for every leonardo there is a mussolini for every beethoven symphony a concentration camp for every chrysler building a my lai massacre how can we come to the defence of a civilisation whose benefits seem so questionable in this ambitious and important book roger osborne shows that we can only truly understand our civilization by re examining and confronting our past with all its glories and catastrophes sweeping in its scope and comprehensive in its coverage civilization tells the story of the western world from its origins to the present at such a dangerous time in the world s history this brilliant book is required reading

for contents see title catalog
